Curry Pikkaart,2016-08-03 Was Joseph as a spoiled brat who loved to lord it over his brothers and pretty much got what he deserved Was he a wise determined young man who did everything he could to end his familys sad history of deception and dysfunction Was he simply as an innocent victim of the twists and turns of life Were the events in his life chance happenings so all he could do was make the best of it Or were they results of his choices or Gods choices or both Could it be that what happens to us is meant to affect what happens in us Could it be that the events of our lives are invitations from God to enter into partnership with Him Do our choices and Gods choices somehow work in partnership to move us through the tough times into the next chapter of our life story **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
