

Stylistic Analysis of the two American Presidents' Inaugural Speeches: George W. Bush and Barack Obama

**Ass. Teacher
Aamal Ahmed Hamza al Shamari
Al-Mustansiriya University
College of Arts
Department of Translation**

الخلاصة:

يتناول هذا البحث دراسة الأساليب الخطابية التي استخدمها كل من الرئيسين الأميركيين جورج دبليو بوش وباراك أوباما في خطابيهما الافتتاحي لعامي ٢٠٠١ و٢٠٠٩. وقد حاول البحث وباستخدام نظرية (الانتقالية) لهالدي والتي هي جزء من النحو الوظيفي المنهجي (النظامي) كإطار نظري للدراسة إظهار الأيدولوجيات السياسية المنعكسة في الاتماط الخطابية التي استخدمها الرئيسين في خطابيهما الافتتاحي. وقد أظهر البحث من خلال تطبيق هذه النظرية وباستخدام التحليل الإحصائي أن بعض التراكيب اللغوية المستخدمة في الخطابين تعكس و تتضمن مواقف الرئيسين الأيدولوجية ووجهة نظريهما عن العالم.

Abstract

This study examines the speech styles used in the inaugural speeches of two of American presidents: George W. Bush ٢٠٠١, and Bark Obama ٢٠٠٩. By employing Halliday's transitivity framework, guided by Systemic Functional Grammar (SFG), this study attempts to reveal the ideologies presented in discourse patterns used by the two presidents. Using the transitivity model, aided by statistical analysis, the research shows that certain linguistic structures of the speech encode the particular worldview or ideological stance of a speaker.

Speeches Of The American Presidents

Speeches Of The American Presidents:

Speeches of the American Presidents Janet Podell, Steven Anzovin, 2001 Presents more than 200 major speeches by 43 U S presidents from Washington through George W Bush *Great Speeches of American Presidents* Pasquale De Marco, 2025-05-07 Great Speeches of American Presidents is a collection of some of the most important and influential speeches ever delivered by American presidents These speeches cover a wide range of topics from the founding of the nation to the Civil War from the Great Depression to the Cold War They offer a unique window into the minds and hearts of the men who have led our country and they provide a powerful reminder of the ideals and values that have shaped the American experience In this book you will find speeches by George Washington Abraham Lincoln Franklin Delano Roosevelt John F Kennedy Ronald Reagan and many other great American leaders These speeches are essential reading for anyone who wants to understand the history of the United States and the role that presidents have played in shaping that history In addition to the speeches themselves we have also included brief introductions to each president and his speech These introductions provide context for the speeches and help to explain their significance We have also included a timeline of important events in American history so that readers can see how the speeches fit into the broader context of the nation s development We believe that Great Speeches of American Presidents is a valuable resource for anyone who is interested in American history and politics We hope that you will find it to be a source of inspiration and enlightenment This book is perfect for Students of American history Scholars of political science Anyone who wants to learn more about the great speeches that have shaped American history Anyone who is inspired by the words of great leaders If you are interested in American history politics or public speaking then you need to read Great Speeches of American Presidents This book is a treasure trove of wisdom and inspiration and it is sure to leave a lasting impression on you If you like this book write a review on google books [My Fellow Americans](#) ,2010 THE STORIES BEHIND the WORDS THAT MAKE HISTORY Four Score and Seven Years Ago The Gettysburg Address as told by an eyewitness of the event The only thing we have to fear is fear itself Franklin Delano Roosevelt s stirring call to courage Ask Not What Your Country Can Do For You John F Kennedy s unforgettable inaugural address Mr Gorbachev Tear Down This Wall Ronald Reagan s demand for freedom for the people behind the Iron Curtain Plus Gerald Ford Jimmy Carter and Bill Clinton on the speeches that influenced them most Also hear The voices of every U S president since Benjamin Harrison in 1889 A reading of the first presidential speech ever George Washington s American Experiment address A reenactment of Abraham Lincoln s incendiary House Divided speech Campaign recordings of Theodore Roosevelt and Woodrow Wilson FDR s assertion that Americans have a Rendezvous with Destiny Dwight D Eisenhower s warning against the Military Industrial Complex JFK proclaiming Ich Bin Ein Berliner Lyndon Johnson adopting the civil rights hymn We Shall Overcome Gerald Ford promising that Our Long National Nightmare Is Over Ronald Reagan consoling the nation after the space shuttle Challenger explosion George H W Bush s call for a Kinder and Gentler Nation Bill Clinton

speaking from the pulpit where Martin Luther King Jr gave his final sermon George W Bush s ultimatum to Iraq and his promise to its people that The Day of Your Liberation Is Near *My Fellow Americans* Michael Waldman,2004-09 Through both text and audio CDs *My Fellow Americans* brings to life more than 40 presidential speeches from George Washington to George W Bush that defined our nation s most dramatic moments Organized chronologically by president each speech is introduced by the author telling the dramatic story of the speech and explaining its impact In original essays Presidents Gerald Ford Jimmy Carter and Bill Clinton describe the talks that influenced them the most Two FREE audio CDs contain the speeches in the text Narrated by George Stephanopoulos the CDs let students hear these great speeches as they happened some recordings are more than 100 years old or are reenacted because they were given before the dawn of recorded audio

Famous Presidential Speeches Amelia Khatri,AI,2025-02-15 *Famous Presidential Speeches* explores how presidential rhetoric has shaped American politics and society It delves into the art of presidential communication by examining the historical context and lasting consequences of monumental addresses The book emphasizes that presidential rhetoric is a powerful instrument of governance influencing policy public discourse and the historical narrative Readers will discover how speeches have been used to unite a nation justify wars and usher in social change The book progresses by first introducing key concepts in rhetorical analysis It then analyzes a selection of famous speeches such as George Washington s Farewell Address and John F Kennedy s inaugural address examining their rhetorical strategies historical circumstances and effects Finally it culminates in a discussion of the ethical responsibilities of presidential speech By examining specific speeches in depth the book offers a unique perspective on the historical impact of presidential rhetoric **U.S. Presidents as Orators**

Halford R. Ryan,1995-06-27 This first systematic critique on the rhetoric of 21 presidents shows how political constraints shaped rhetoric and how oratory shaped politics An introduction places American public address in the context of classical rhetorical practices and theory and sets the stage for the bio critical essays about presidents ranging from Washington to Clinton Experts analyze the style and use of language important speeches and their impact and their ethical ramifications Each essay on a president also keys major speeches to authoritative texts and offers a chronology and bibliography of primary and secondary sources For students teachers and professionals in American public address political communication and the presidency *The Moral Rhetoric of American Presidents* Colleen J. Shogan,2007-09-17 Although sometimes decried by pundits George W Bush s use of moral and religious rhetoric is far from unique in the American presidency Throughout history and across party boundaries presidents have used such appeals with varying degrees of political success *The Moral Rhetoric of American Presidents* astutely analyzes the president s role as the nation s moral spokesman Armed with quantitative methods from political science and the qualitative case study approach prevalent in rhetorical studies Colleen J Shogan demonstrates that moral and religious rhetoric is not simply a reflection of individual character or an expression of American civil religion but a strategic tool presidents can use to enhance their constitutional authority To

determine how the use of moral rhetoric has changed over time Shogan employs content analysis of the inaugural and annual addresses of all the presidents from George Washington through George W Bush This quantitative evidence shows that while presidents of both parties have used moral and religious arguments the frequency has fluctuated considerably and the language has become increasingly detached from relevant policy arguments Shogan explores the political effects of the rhetorical choices presidents make through nine historical cases Presidents Washington Jefferson Madison Buchanan Lincoln Theodore Roosevelt Kennedy Lyndon Johnson and Carter She shows that presidents who adapt their rhetoric to the political conditions at hand enhance their constitutional authority while presidents who ignore political constraints suffer adverse political consequences The case studies allow Shogan to highlight the specific political circumstances that encourage or discourage the use of moral rhetoric Shogan concludes with an analysis of several dilemmas of governance instigated by George W Bush s persistent devotion to moral and religious argumentation

American History through Its Greatest Speeches Jolyon P. Girard,Darryl Mace,Courtney Michelle Smith,2016-12-05 What did America s greatest orators say regarding significant issues and concerns throughout United States history This three volume set examines hundreds of the most historically significant speeches from colonial times to the modern era allowing readers to consider exactly what the speakers said and to better understand the motivations behind each speech as well as the effect on the audiences that heard them This essential reference work presents the most important and historically significant speeches delivered since colonial times providing in essence a documentary history of the United States through these public utterances Readers can witness American history unfold firsthand through these stirring and at times controversial speeches from Patrick Henry s fiery words calling for an American revolution through the words of the 19th century abolitionists and Lincoln s immortal Gettysburg Address and up through the 20th century with President Wilson s famous Fourteen Points FDR reminding Americans that the only thing they had to fear was fear itself and George W Bush responding to the attacks of September 11 For students teachers librarians and general readers this indispensable work provides essential reference resources on the speeches of great significance in American history Each speech is prefaced by a contextual headnote that provides essential background information and specific details about the speech This three volume set also includes a timeline a historical review of each era biographical sketches of each speaker and anecdotal sidebars containing additional information about the speech or speakers

Rating America's Presidents Robert Spencer,2020-08-25 Most historians of the American presidency walking in lockstep with today s hard Left academic establishment favor presidents who were big government statist and globalists They dislike presidents who lowered taxes protected American workers and avoided getting the United States entangled in foreign conflicts that had nothing to do with protecting the American people It is through that prism that they see all of American history It s time for a change Nowadays with socialism massively discredited and internationalism facing more opposition than it has since before World War II it s time to reevaluate what the Leftist historians have told us

Donald Trump was elected president pledging to put America First as any nation's leader should put his or her own people first. There needs to be an America First reevaluation of him and his predecessors. This book therefore rates the presidents not on the basis of criteria developed by socialist internationalist historians but on their fidelity to the United States Constitution and to the powers and limits to those powers of the president as delineated by the Founding Fathers. America's presidents are rated on the extent to which they put America First not in the sense of a narrow isolationism but whether they really advanced the interests of the American people. This upends the conventional wisdom about a great deal of American history and present day reality and is intended to do so. This book offers what should be the only criteria for rating the occupants of the White House: were they good for America.

American Presidents Year by Year Julie Nelson, 2015-03-10

This fascinating multi-volume set illuminates the panorama of American history through the personal and professional stories of the nation's presidents. Arranged chronologically and covering George Washington to George W. Bush, it juxtaposes the lives of each year's current former and future living presidents against each other and the historical backdrop of their times. Each chapter opens with a summary of the year and describes the major issues and events the incumbent president faced. Separate sections within each chapter, Former Presidents and Future Presidents, detail important developments in the lives of past and future presidents month by month during that same year, highlighting political, social, and personal decisions that helped shape the course of American history.

This Engaging World of Kindle Books: A Comprehensive Guide Revealing the Benefits of Kindle Books: A World of Ease and Versatility Kindle books, with their inherent portability and simplicity of access, have freed readers from the constraints of hardcopy books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in bookstores.
