

THE SPENSER ENCYCLOPEDIA

Spenser Encyclopedia

Albert Charles Hamilton

Spenser Encyclopedia:

The Spenser Encyclopedia Albert Charles Hamilton, 1997-01-01 A reference book for scholarship on Edmund Spenser offering a detailed literary guide to his life works and influence Over 700 entries by 422 contributors an index and extensive bibliography

The Spenser Encyclopedia Albert Charles Hamilton, 1990 Since its appearance in 1990 The Spenser Encyclopedia has become the reference book for scholarship on Edmund Spenser 1552 99 offering a detailed literary guide to his life works and influence

The Cambridge Companion to Spenser Andrew Hadfield, 2001-06-18 The Cambridge Companion to Spenser provides an introduction to Spenser that is at once accessible and rigorous Fourteen specially commissioned essays by leading scholars bring together the best recent writing on the work of the most important non dramatic Renaissance poet The contributions provide all the essential information required to appreciate and understand Spenser s rewarding and challenging work The Companion guides the reader through Spenser s poetry and prose and provides extensive commentary on his life the historical and religious context in which he wrote his wide reading in Classical European and English poetry his sexual politics and use of language Emphasis is placed on Spenser s relationship to his native England and to Ireland where he lived for most of his adult life as well as the myriad of intellectual contexts which inform his writing A chronology and further reading lists make this volume indispensable for any student of Spenser

The Popular Culture of Shakespeare, Spenser and Jonson Mary Ellen Lamb, 2006-09-27 Breaking new ground by considering productions of popular culture from above rather than from below this book draws on theorists of cultural studies such as Pierre Bourdieu Roger Chartier and John Fiske to synthesize work from disparate fields and present new readings of well known literary works Using the literature of Shakespeare Spenser and Jonson Mary Ellen Lamb investigates the social narratives of several social groups an urban middling group an elite at the court of James and an aristocratic faction from the countryside She states that under the pressure of increasing economic stratification these social fractions created cultural identities to distinguish themselves from each other particularly from lower status groups Focusing on Shakespeare s A Midsummer Night s Dream and Merry Wives of Windsor Spenser s Faerie Queene and Jonson s Masque of Oberon she explores the ways in which early modern literature formed a particularly productive site of contest for deep social changes and how these changes in turn played a large role in shaping some of the most well known works of the period

The art of The Faerie Queene Richard Danson Brown, 2021-01-19 The Art of The Faerie Queene is the first book centrally focused on the forms and poetic techniques employed by Spenser It offers a sharp new perspective on Spenser by rereading The Faerie Queene as poetry which is at once absorbing demanding and experimental Instead of the traditional conservative model of Spenser as poet this book presents the poem as radical edgy and unconventional thus proposing new ways of understanding the Elizabethan poetic Renaissance The book moves from the individual words of the poem to metre rhyme and stanza form onto its larger structures of canto and book It will be of particular relevance to undergraduates studying

Elizabethan poetry graduate students and scholars of Renaissance poetry for whom the formal aspect of the poetry has been a topic of growing relevance in recent years *Spenser's Afterlife from Shakespeare to Milton* Jennifer C.

Vaught,2025-10-01 This study explores how Shakespeare Ben Jonson Andrew Marvell and Milton among many others appropriated Spenser's long and shorter poems for creating comedy parody and satire Their appropriations which were widely influential on communities of readers writers and intertextual networks from 1590 1660 left an abiding impression of Spenser as a biting satirist *Spenser's Afterlife from Shakespeare to Milton The Faerie Queene as Intertextual Environment* is the first study to combine the reception history of *The Faerie Queene* with ecocriticism animal studies and posthumanist tenets of vital materialism and the power of things This poem functions as a powerful nonhuman agent that transforms how readers respond to their environments *The Faerie Queene* and its afterlives move readers to perceive flaws in political social and religious figureheads and institutions to envision better ones *Time and the Calendar in Edmund Spenser's Poetical Works* Emilien Mohsen,2005

Nation, State and Empire in English Renaissance Literature Willy Maley,2015-12-30 This book original in emphasis daring in execution maps out the shaping power of English Renaissance literature in creating and contesting national and colonial identities through the work of major canonical authors including Shakespeare Spenser and Milton Informed throughout by the burgeoning fields of the new British history and postcolonial criticism this volume marks a dramatic shift in studies of the early modern period from Irish to British concerns thus accounting for the interplay of union plantation and conquest ***Spenser's Irish Work*** Thomas Herron,2016-12-05 Exploring Edmund Spenser's writings within the historical and aesthetic context of colonial agricultural reform in Ireland his adopted home this study demonstrates how Irish events and influences operate in far more of Spenser's work than previously suspected Thomas Herron explores Spenser's relation to contemporary English poets and polemicists in Munster such as Sir Walter Raleigh Ralph Birkenshaw and Parr Lane as well as heretofore neglected Irish material in Elizabethan pageantry in the 1590s such as the famously elaborate state performances at Elvetham and Rycote New light is shed here on the Irish significance of both the earlier and later Books of *The Faerie Queene* Herron examines in depth Spenser's adaptation of the paradigm of the laboring artist for empire found in Virgil's *Georgics* which Herron weaves explicitly with Spenser's experience as an administrator property owner and planter in Ireland Taking in history religion geography classics and colonial studies as well as early modern literature and Irish studies this book constitutes a valuable addition to Spenser scholarship *Spenser's Heavenly Elizabeth* Donald Stump,2019-11-07

This book reveals the queen behind Edmund Spenser's *The Faerie Queene* Placing Spenser's epic poem in the context of the tumultuous sixteenth century Donald Stump offers a groundbreaking reading of the poem as an allegory of Elizabeth I's life By narrating the loves and wars of an Arthurian realm that mirrors Elizabethan England Spenser explores the crises that shaped Elizabeth's reign her break with the pope to create a reformed English Church her standoff with Mary Queen of Scots offensives against Irish rebels and Spanish troops confrontations with

assassins and foreign invaders and the apocalyptic expectations of the English people in a time of national transformation
Brilliantly reconciling moral and historicist readings this volume offers a major new interpretation of *The Faerie Queene*

Spenser Encyclopedia Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change.
