Speaking To God

Bishop William H. Willimon

Speaking To God:

You Can Hear the Voice of God Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You're not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it's truly God talking and not my own thoughts But here's the good news Hearing God is simpler than you think It's possible to have a relationship with God that involves both speaking and listening In fact it's God's desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice but expecting to hear it Sampson's uncomplicated practical perspective will help you cultivate the two way conversation with God you've always longed for Before long you'll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don't settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God's still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida

God Is Speaking, Are You Listening? Lynn Lang, 2018-01-26 It all began when I finally desired quiet time in God's presence He being my Lord and Savior gave me a need to hear encouragement and guidance from him Knowing that I belong to my God Jesus died for my sins and I am filled with his Spirit gave me peace and confidence but I felt there was more I needed I longed to hear from him Was this really possible How would I know it was him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips I'd then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time Then when finished I would be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but also each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a scripture to go with each one All I knew was this ability was definitely God given to me for his purpose Soon I was realizing it wasn't all for me I was prompted to share them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as he led me What I thought was God was speaking to me only in reality he is able to speak to others through a devotional simple folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking are you listening

Shhh...God Is Speaking Thaddeus Wright, 2015-04-14 This book is about one thing and that is to bring people all over the world closer to God It is about being able to hear and apply what God is saying to us as a people It is about what God is saying and not me the Author It is intended to help motivate and inspire the unbeliever to become a believer and a servant of the most high God and to bring the believer even closer to God In this book I use personal experiences to illustrate that no matter what people may be going through or what they have done God is still in the delivering business It is all about praising and giving God the glory in spite of how your situation may look It is about praising your way out of your storm rather than walking through the storm with your head held down This book is all about our father our creator our healer our deliverer and our Savior Jesus Christ

Conversations with Barth on Preaching Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well
