Speaking to You of Grief Martha O. Williams, 1987-01-01 **Speak Your Healing from the Homosexual Deception** Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone Midwives Coping with Loss and Grief Doreen Kenworthy, Mavis Kirkham, 2011 The experience of stillbirth and other losses in pregnancy at what is usually a time of great joy is tragic for everyone involved including midwifery professionals Although research increasingly shows how profound the effects of loss can be few studies have explored the effects of pregnancy loss which often leads to other personal and professional traumas such as loss of autonomy or a workplace on midwives This in depth investigation uses a phenomenological approach to capture midwives experiences of loss and grief in their own words and encompasses both pregnancy loss and wider professional and personal issues It then makes recommendations to enhance midwives resilience and ability to cope appropriately whilst giving maximum support to their clients Reflections on the emerging implications for midwifery education and practice further broaden the scope of the analysis The insights in this book will be of great use to midwifery managers and supervisors They will also help midwives to nurture themselves their colleagues and their clients at a time when pressures on the service can leave support lacking The devastating experience of losing a baby for women and their families is something that as midwives we strive to understand in order to provide appropriate practical and emotional support Doreen and Mavis encourage us to consider how we are affected by the grief of others at a deeply personal level Ultimately the message in this book is one of hope through reflection and the sharing of experiences midwives who have been with women whose babies have died can regain their personal strength and learn to re shape memories in ways that contribute to personal growth and understanding A From the Foreword by Nicky Leap **Love Never Dies: From Heaven My Sister Speaks** Angela Dawn, 2014-09-04 Two sisters bound by love and courage continue their oh so familiar conversations regardless of being separated between the paths of life and death This is a true story of two deaths and one life which has proven that the bonds of love do exist beyond the grave After the sudden death of Angela s mother and shortly thereafter her sister Angela refused to believe that she had lost them forever She set off on a journey in search of the truth Her mother and sister guided and supported her as she discovered a world of existence in the afterlife They speak about their life in heaven about God the Creator the universe mankind the reason for living and the soul s purpose The discovery and understanding that Angela experienced brought much comfort in a time of grief Join Angela as she is taken on a journey in which she unravels the truth the truth of life **The Arts of Writing,**
