Speaking From The Heart A Feminist Perspective On Ethics:

Speaking from the Heart Rita C. Manning, 1992 In *Speaking from the Heart* Rita Manning has added an important contribution to the growing literature on feminist moral theory and ethics Manning presents an original and ambitious study of the moral practice and moral intuitions which are infused by a commitment to an ethic of care In doing so she challenges the received wisdom about moral philosophy that to reason morally one must appeal to underlying principles rather than one's own experience

Speaking from the Heart Rita C. Manning, 1992-05-20 Manning successfully argues that theory and ethics should once again be reunited thorough and provocative THE MIDWEST BOOK REVIEW

Revealing Male Bodies Nancy Tuana, William Cowling, Maurice Hamington, Greg Johnson, 2002-05-06 *Revealing Male Bodies* is the first scholarly collection to directly confront male lived experience There has been an explosion of work in men's studies masculinity issues and male sexuality in addition to a growing literature exploring female embodiment Missing from the current literature however is a sustained analysis of the phenomenology of male gendered bodies *Revealing Male Bodies* addresses this omission by examining how male bodies are physically and experientially constituted by the economic theoretical and social practices in which men are immersed Contributors include Susan Bordo William Cowling Terry Goldie Maurice Hamington Don Ihde Greg Johnson Björn Krondorfer Alphonso Lingis Patrick McGann Paul McIlvenny Terrance MacMullan Jim Perkinson Steven P Schacht Richard Schmitt Nancy Tuana Craig L Wilkins and John Zuern

Policy Practice for Social Workers Linda Cummins, Katharine V Byers, Laura Pedrick, 2023-07-18 The second edition of *Policy Practice for Social Workers* expands the concept of policy practice in social work settings and illustrates how significant policy change may be achieved at a local community state and national level Guided by an ethic of care approach this textbook is intended to raise readers awareness about policy practice and its fundamental relationship with the aims of the social work profession offers a foundation for key skill development and contextualizes the work of policy practitioners in the larger political economic settings in which they work This textbook is divided into two parts First readers will expand their understanding of policy practice its beginnings and development over the course of social welfare history

and the political economic and social drivers that affect policy decisions and undergird the U S political system Readers will also learn about the ethic of care framework and the value based lens it contributes to the policymaking process Later in the book s second part readers will explore the essential skills and values in policy work Detailed coverage and vivid examples offer valuable insight into specific advocacy skills including lobbying community organizing mobilizing advocacy publics coalition building campaigning problem analysis policy analysis and policy evaluation Within its comprehensive overview of policy practice and advocacy the new edition of this text extols a value laden perspective to identify and assess unmet needs and promote a more socially just environment for all Combining these dual aims Policy Practice for Social Workers is an excellent cornerstone of policy and policy work for undergraduate and graduate students in social work Mixed Media Tom Bivins,2017-09-08 Mixed Media offers students of journalism advertising and public relations the tools for making ethical and moral decisions within their professional disciplines Covering both ethical theory and its practical application to the media professions Mixed Media serves as an indispensable starting point for those seeking to develop an ethical framework with regard to mass media Each media industry is covered with specific attention paid to relevant ethical decision making approaches involving primary concerns such as truth telling constituent obligations persuasion versus advocacy and respect for the consumers of public communication In addition the book covers new media and how ethics affect such concepts as social media word of mouth advertising and the impact of the digital revolution And new to this edition recent concerns in areas such as satire and the dilemma of free speech versus constraint are discussed as well as the quandry of native advertising in journalism Readers will come away with a greater appreciation for moral philosophy and theory as a foundation for decision making and will develop a personal yardstick by which to measure their decisions Citizenship and the Ethics of Care Selma Sevenhuijsen,2003-09-02 Care and women s emancipation have often been seen as opposed Politicians have begun to look again at the issue of care in the context of new reforms in the welfare state health care policies and family law Using concrete examples taken from parental rights cases health care education and the public health sector Using concrete examples taken from the practice and discourse of care those found in parental rights issues health care education the family and in the public health sector Sevenhuijsen argues for revaluation of care from a feminist perspective

Nonviolent Perspectives Andrew Fitz-Gibbon,2025-02-04 This book is a compilation of essays addressing the central issue of humanity interpersonal violence and more importantly nonviolence as its antidote The essays trace the author s journey from early pacifist convictions influenced by personal experiences with violence to a nuanced understanding of nonviolence rooted in ethics love spirituality and critical theory Spanning over two decades the writings explore various dimensions of nonviolence from philosophical arguments and historical analysis to practical applications in parenting political resistance and care ethics The book brings together previously published works that have been instrumental in shaping the author s thinking making them accessible for scholars students and anyone interested in nonviolence With reflections on the

works of Murdoch MacIntyre Gandhi and others it offers a comprehensive examination of nonviolence as both a personal practice and a social imperative

The Moral Skeptic Anita M. Superson, 2009-03-13 Anita Superson challenges the traditional picture of the skeptic who asks Why be moral While holding that the skeptic's position is important she builds an argument against it by understanding it more deeply and then shows what it would take to successfully defeat it Superson argues that we must defeat not only the action skeptic but the disposition skeptic who denies that being morally disposed is rationally required and the motive skeptic who believes that merely going through the motions in acting morally is rationally permissible We also have to address the amoralist who is not moved by moral reasons he recognizes Superson argues for expanding the skeptic's position from self interest to privilege to include morally unjustified behavior targeting disenfranchised social groups as well as revising the traditional expected utility model to exclude desires deformed by patriarchy as irrational Lastly she argues that the challenge can be answered if it can be shown that it is in an important way inconsistent and therefore irrational to privilege oneself over others The Moral Skeptic makes an important contribution to both metaethics moral theory and feminist philosophy and brings feminist thinking into the larger discussion of the skeptical challenge

Speaking From The Heart A Feminist Perspective On Ethics Introduction

In today's digital age, the availability of *Speaking From The Heart A Feminist Perspective On Ethics* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Speaking From The Heart A Feminist Perspective On Ethics* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Speaking From The Heart A Feminist Perspective On Ethics* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Speaking From The Heart A Feminist Perspective On Ethics* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Speaking From The Heart A Feminist Perspective On Ethics* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Speaking From The Heart A Feminist Perspective On Ethics* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Speaking From The Heart A Feminist Perspective On Ethics* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Speaking From The Heart A Feminist Perspective On Ethics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Speaking From The Heart A Feminist Perspective On Ethics books and manuals for download and embark on your journey of knowledge?
