Special Gift For Your Baby Girl:

Your Special Gift Carol McCormick, 2012-01-09 Having the talk can sometimes be an awkward experience for both parent and child Even so I didn't want to wait until my children's hormones kicked in and I didn't want to be caught off guard when they had questions but most of all I didn't want them growing up with misconceptions concerning sex I wanted my children to be informed about the facts of life yet without being too sexually explicit in the process because some of the facts weren't good such as pornography diseases and predators but these subjects needed to be addressed as well As a result I told them what I have written in Your Special Gift by using the analogy of a gift a lock and a key to define commonly used sexual terms and to caution them about possible consequences and to warn them of potential predators I also used Scripture as the basis of defining true love The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward and yet sensitive way so that any question concerning sex can be answered by using this method Your Special Gift is well suited for children in the 8 to 12 year old range *Fullness of Joy: One Hundred Devotions to Bring You Into God's Presence* Elizabeth Rice Handford, 2024-12-03 Throughout her years serving alongside her husband who pastored Southside Baptist Church now Fellowship Greenville in Greenville South Carolina for over thirty years Elizabeth Rice Handford has had the opportunity to touch many lives with her daily devotionals Whether ministering to the congregation at Southside writing for magazines or touching the lives of the staff and patients at Interim HealthCare Libby has dedicated her life to encouraging others to seek God in the everyday moments of life In her new devotional Fullness of Joy take a dive into one hundred of Libby's devotionals compiled from a look back through her writings and life experiences
