down We should then have wasted no time and produced no division amongst ourselves by talking about the Union the Constitution or even the Country Our one purpose then would have been to put down the rebels and to put them down irrespectively of the hearing it might have on whatever interests Naked plunderers and murder ers were these entirely unwronged rebels and they Should have been put down with as total a disregard of consequences as would characterize the Single purpose of a stern father in putting down his revolted child Who doubts that with such a disregard they had been put down instantly Suppose that scoundrels in Utica your adopted and my native home had with arms in their hands and using them too seized her funds her fire engines and her other corporate property and that yen had at the time been her Mayor would you have sent to the Common Council a Message of the tone and character of that you have just sent to the Legislature Would you have sought in it to divide her citizens upon a multiplicity of issues respecting the future condition of her Fire Department her funds and other interests Oh no Oh no You could have made no Democratic and no other gain by such an insane policy You would beyond a doubt have sought to unite them in the one purpose and one endeavor to subdue and punish the miscreants ay to subdue and punish them come what might of Fire Department Funds or even Utica herself I am wrong they would already have been thus united Such union would have been the necessary result of the outrage Only bad counsels and partisan in uences could have disunited them The people of the North were united when they heard of the bombard ing of Sumter But alas our good and patriotic President tem porized The spirit which should have been taken at the ood was allowed time to subside Hundreds of thousands of lives and directly and indirectly thousands of millions of dollars have already been the penalty of this mistake and only too reasonable is the fear that the loss of the nation will be needed to eomplete the penalty How surely and how quickly would he at that time but for the timidity and hesitancy which grew out of his pro Slavery education have saved our wealth and toil from this Oppres sive taxation our tens of thousands of bereaved families from their sorrows and our country from the appalling prospect of her ruin The Rebellion should have been shot dead at once Whoever denies it proves therein that he is insensible of its infernal charac ter and knows not how to deal with such a crime Or rather whoever denies it makes room thereby for the suspicion that he sympathizes with the Rebellion and is a participant in the crime About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
