According to Luke Ivan Clutterbuck,2000 Amidst the confusion and doubt that the contemporary world casts on our Christian witness a return to the Gospel brings clarity and a sure foundation In the Gospel of Luke we find a model for the Church a model equally valid for each generation Well known for his teaching and preaching skills Ivan Clutterbuck invites us to study the Gospel of Luke as a whole Working through the text from start to finish we understand the full implications of how Jesus preached and organised his kingdom In this Gospel guide we are provided with the latest balanced scholarship on Luke s writing in an accessible form The last thirty years have seen a new concentration on the historical person of Jesus that has overturned much of the speculative biblical criticism of the past that seemed to undermine faith itself Only by concentrating on the teaching and ministry of Jesus so clearly set out by Luke do we find the bedrock of the Christian message Ivan Clutterbuck has been a priest of the Church of England for over sixty years He has served both as an army and naval chaplain and has taught in several public schools From 1966-74 he was Organising Secretary of the Church Union

to explain it to others more winningly Like every religion this faith has three aspects corresponding to the three parts of the soul and filling the innate needs of all three parts Kreeft uses these three divisions as the basic outline for his Christian apologetics First every religion has some beliefs whether expressed in creeds or not something for the intellect to know Second every religion has some duty or deed some practice of program some moral or ethical code something for the will to choose Finally every religion has some liturgy some worship some church something for the body and the concrete imagination and the aesthetic sense to work at Creed Code and Cult Words Works and Worship are a most useful way of outlining any religious faith including the Catholic Faith of Christians These essays were written for Catholics by a Catholic But I believe that nearly everything I say here will be found by the orthodox Biblical Protestant reader to be his faith as well That solid and substantial core that C S Lewis called mere Christianity Peter Kreeft
