Large Print** Anne Perry, 1996 **Animals Strike Curious Poses** Elena Passarello, 2017-02-06 It might be the best book on animals I've ever read It's also the only one that's made me laugh out loud Helen Macdonald The New York Times Book Review Beginning with Yuka a 39 000 year old mummified woolly mammoth recently found in the Siberian permafrost

each of the sixteen essays in *Animals Strike Curious Poses* investigates a different famous animal named and immortalized by humans. Modeled loosely after a medieval bestiary, these witty, playful, whip-smart essays from a winner of a Whiting Award for nonfiction traverse history, myth, science, and more, bringing each beast vibrantly to life. Stunning. Passarello's keen wit is on display throughout as she raises questions about the uniqueness of humans. A feast of surprising juxtapositions and gorgeous prose. Publishers Weekly starred review. I've spent decades reading books on the roles animals play in human cultures, but none have ever made me think and feel as much as this one. It's a devastating meditation on our relationship to the natural world. Helen Macdonald. *The New York Times Book Review*. *In the Midst of It All* Tiffany L. Warren, 2010-02-22. All her life Zenovia has struggled with the burden of caring for her schizophrenic mother, Audrey, alone. Until one day God seems to offer support in the form of two members of a church called the Brethren of the Sacrifice, who knock at the woman's door preaching an unconventional version of the Gospel. Despite having questions, Zenovia agrees to join the church along with her mother. Soon afterward, Audrey stops taking her medication when fellow churchgoers deem her illness a demonic possession. Unable to watch her mother's mental deterioration, Zenovia flees town only to receive a fateful phone call several years later telling her of her mother's suicide. Heartbroken, Zenovia must now make a soul-altering choice: accept God's will or return home to confront the demons she's worked so hard to leave behind. *Animal Geographies* Jennifer Wolch, Jody Emel, 1998-09-17. Each year, billions of animals are poisoned, dissected, displaced, killed for consumption or held in captivity, usually for the benefit of humans. The animal world has never been under greater peril, and this broad-ranging collection contributes to a much-needed fundamental rethinking about our relation with it. *Animal Geographies* explores the diverse ways in which animals shape the formation of human identity. Essays on zoos and wolves, for example, reveal how animals figure in social constructions of race, gender, and nationality. From questions of identity and subjectivity, it moves to a consideration of the places where people and animals confront the realities of coexistence on an everyday basis, by way of case studies of species such as mountain lions and the golden eagle. It then examines the ways in which animals figure in the ongoing globalization of production and mass consumption, illustrated by essays on the US meatpacking industry and meat production in the Indian state of Rajasthan, and finally takes up legal and ethical approaches to human-animal relations. *Animal Geographies* compels a profound rethinking of the nature of human-animal relations and offers a series of proposals for reconstituting this relationship on a progressive basis. Contributors: Kay Anderson, Glen Elder, Andrea Gullo, Unna Lassiter, William S. Lynn, Suzanne M. Michel, Chris Philo, James D. Proctor, Paul Robbins, Frances M. Ufkes, James L. Wescoat Jr. **The Complete Francis of Assisi** Jon M. Sweeney, 2018-08-01. There are many editions of the writings of St. Francis, and biographies about him, but here in one volume are both: plus the complete text of the late medieval work *The Little Flowers*, which did more to establish the legend of the man than any other work. This Paraclete/Giants edition includes the complete *Road to Assisi*, Paul Sabatier's ground-breaking and foundational biography of the saint, first published in French in 1894 and

re issued and expanded in 2002 the complete Francis in His Own Words The Essential Writings and The Little Flowers thus offering the best introduction to St Francis yet available between two covers Other Paraclete Giants include The Complete Julian of Norwich and The Complete Introduction to the Devout Life both translated and introduced by Fr John Julian OJN
