

Sioux Society

James R. Walker

Sioux Society:

The Sioux Royal B. Hassrick, 2012-11-28 For many people the Sioux as warriors and as buffalo hunters have become the symbol of all that is Indian colorful figures endowed with great fortitude and powerful vision They were the heroes of the Great Plains and they were the villains too Royal B Hassrick here attempts to describe the ways of the people the patterns of their behavior and the concepts of their imagination Uniquely he has approached the subject from the Sioux s own point of view giving their own interpretation of their world in the era of its greatest vigor and renown the brief span of years from about 1830 to 1870 In addition to printed sources the author has drawn from the observation and records of a number of Sioux who were still living when this book was projected and were anxious to serve as links to the vanished world of their forebears Because it is true that men become in great measure what they think and want themselves to be it is important to gain this insight into Sioux thought of a century ago Apparently the most significant theme in their universe was that man was a minute but integral part of that universe The dual themes of self expression and self denial reached through their lives helping to explain their utter defeat soon after the Battle of the Little Big Horn When the opportunity to resolve the conflict with the white man in their own way was lost their very reason for living was lost too There are chapters on the family and the sexes fun the scheme of war production the structure of the nation the way to status and other aspects of Sioux life

The Sioux Guy Gibbon, 2002-12-13 This book covers the entire historical range of the Sioux from their emergence as an identifiable group in late prehistory to the year 2000 The author has studied the material remains of the Sioux for many years His expertise combined with his informative and engaging writing style and numerous photographs create a compelling and indispensable book A leading expert discusses and analyzes the Sioux people with rigorous scholarship and remarkably clear writing Raises questions about Sioux history while synthesizing the historical and anthropological research over a wide scope of issues and periods Provides historical sketches topical debates and imaginary reconstructions to engage the reader in a deeper thinking about the Sioux Includes dozens of photographs comprehensive endnotes and further reading lists

Report of the Iowa State Horticultural Society ... Iowa State Horticultural Society, 1900 **North American Indian Anthropology** Raymond J. DeMallie, Alfonso Ortiz, 1994 These essays explore the blending of structural and historical approaches to American Indian anthropology that characterizes the perspective developed by the late Fred Eggan and his students at the University of Chicago They include studies of kinship and social organization politics religion law ethnicity and art Many reflect Eggan s method of controlled comparison a tool for reconstructing social and cultural change over time Together these essays make substantial descriptive contributions to American Indian anthropology presenting contemporary interpretations of diverse groups from the Hudson Bay Inuit in the north to the Highland Maya of Chiapas in the south The collection will serve as an introduction to Native American social and cultural anthropology for readers interested in the dynamics of Indian social life **Lakota Belief and Ritual** James R. Walker, 1980-01-01 The real value of Lakota Belief and

Ritual is that it provides raw narratives without any pretension of synthesis or analysis as well as insightful biographical information on the man who contributed more than any other individual to our understanding of early Oglala ritual and belief Plains Anthropologist In the writing of Indian history historians and other scholars seldom have the opportunity to look at the past through native eyes or to immerse themselves in documents created by Indians For the Oglala and some of the other divisions of the Lakota the Walker materials provide this kind of experience in fascinating and rich detail during an important transition period in their history Minnesota History This collection of documents is especially remarkable because it preserves individual variations of traditional wisdom from a whole generation of highly developed wicasa wakan holy men Lakota Belief and Ritual is a wasicun container of power that can make traditional Lakota wisdom assume new life American Indian Quarterly A work of prime importance its publication represents a major addition to our knowledge of the Lakotas way of life Journal of American Folklore Raymond J DeMallie director of the American Indian Studies Research Institute and a professor of anthropology at Indiana University is the editor of James R Walker s Lakota Society 1982 and of The Sixth Grandfather Black Elk s Teachings Given to John G Neihardt 1984 a Bison Book both published by the University of Nebraska Press Elaine A Jahner a professor of English at Dartmouth College has edited Walker s Lakota Myth 1983 also a Bison Book
