Sir John Latham And Other Papers:

Sir John Latham Zelman Cowen, 1965 The Judge, the Judiciary and the Court Gabrielle Appleby, Andrew Lynch, 2021-04-29 Revealing analysis of how judges work as individuals and collectively to uphold judicial values in the face of contemporary challenges **The High Court, the Constitution and Australian Politics** Rosalind Dixon, George Williams, 2015-02-26 The High Court the Constitution and Australian Politics is an in depth exploration of the relationship between decisions of the High Court and broader political currents in Australia It begins with an investigation of the patterns and effects of constitutional invalidation and dissent on the High Court over time and their correlation with political trends and attitudes It also examines the role of constitutional amendment in expressing popular constitutional understandings in the Australian system Subsequent chapters focus on the eras marked by the tenure of the Court's 12 Chief Justices examining Court's decisions in the context of the prevailing political conditions and understandings of each Together the chapters canvass a rich variety of accounts of the relationship between constitutional law and politics in Australia and of how this relationship is affected by factors such as the process of appointment for High Court judges and the Court's explicit willingness to consider political and community values Academic ambassadors, Pacific allies Alice Garner, Diane Kirkby, 2018-10-25 This study is the first in depth analysis of the Fulbright exchange program in a single country Drawing on previously unexplored archives and oral history the authors investigate the educational political and diplomatic dimensions of a complex bi national program as experienced by Australian and American scholars The book begins with the postwar context of the scheme's origins moves through its difficult Australian establishment during the early Cold War the challenges posed by the Vietnam War and the impacts of civil rights and gender parity movements and late 20th century economic belt tightening How the program's goal of mutual understanding was understood and enacted across six decades lies at the heart of the book which weaves institutional and individual experiences together with broader geopolitical issues Bringing a complex and nuanced analysis to the Australia US relationship the authors offer fresh insights into the global significance of the Fulbright Program **Guide to the Collections** National Library of Australia, 1910 **Landmark Cases in Succession Law** Brian Sloan, 2019-10-31 The Landmark Cases series highlights the historical antecedents of what are widely considered to be the leading cases in a discipline and seeks to provide contexts in which to better understand how and why certain cases came to be regarded as the landmark cases in any given field Succession law's long pedigree near universal application immense capacity for human interest stories somewhat uncertain future in England and Wales and close connection to demographics make it an ideal candidate for a Landmark Cases volume The distinguished contributors to this collection consider cases ranging from 1720 to 2017 covering issues such as will making and interpretation the position of beneficiaries and personal representatives testamentary promises and the extent of testamentary freedom in England and Wales and beyond The cases are relevant not only to scholars and students of succession law per se but also those working in

fields such as tax trusts tort and land law They raise issues as diverse as class colonialism familial dynamics expectations and obligations mental health and the proper roles of the legal profession and the welfare state The collection will provoke much discussion on what makes a landmark case as well as on the peculiarities and limitations of the case law method

Intention and Identity John Finnis, 2011-04-07 The essays in *Intention and Identity* explore themes in Finnis's work touched on only lightly if at all in *Natural Law and Natural Rights* developing profound accounts of personal identity and existence group identity and common good and intention and choice as action and self shaping In his many faceted study of what it is to be a human person and a human community Finnis not only engages with contemporary philosophers and bioethicists such as Peter Singer Michael Lockwood and John Harris with thinkers from other traditions such as Karol Wojtyla John Paul II and with judges in the highest courts He also offers illuminating and deeply considered readings of Shakespeare and Aquinas and debates with Roger Scruton Joseph Raz Hans Kelsen John Rawls Glanville Williams Richard Posner Ronald Dworkin and others The role of intention in the criminal law and the law of civil wrongs is searchingly explored through case law as are judicial attempts to understand conditional and preparatory intentions Moral or bioethical issues discussed include in vitro fertilization cloning abortion euthanasia and brain death patriotism multi culturalism and immigration The papers show the power of a sometimes neglected aspect of the new classical theory of natural law The volume includes previously unpublished papers on whether brain life is relevant to the beginning of a person's life on its relevance to the end of one's life and a substantial introduction in which John Finnis reflects on the changes in his thinking on personal reality and on how intention is to be analysed and understood and its moral significance appreciated Human Rights and Common Good John Finnis, 2011-04-07 This central volume in the *Collected Essays* brings together John Finnis's wide ranging contribution to central issues in political philosophy The volume begins by examining the general theory of political community and social justice It includes the powerful and well known Maccabaeon Lecture on Bills of Rights a searching critique of Ronald Dworkin's moral political arguments and conclusions of the European Court of Human Rights approach to fundamental rights and of judicial review as a constitutional institution It is followed by an equally searching analysis of Kant's thought on the intersection of law right and ethics Other papers in the book's opening section include an early assessment of Rawls's *A Theory of Justice* a radical re interpretation of Aquinas on limited government and the significance of the private public distinction and a challenging paper on virtue and the constitution The volume then focuses on central problems in modern political communities including the achievement of justice in work and distribution the practice of punishment war and justice the public control of euthanasia and abortion and the nature of marriage and the common good There are careful and vigorous critiques of Nietzsche on morality Hart on punishment Dworkin on the enforcement of morality and on euthanasia Rawls on justice and law Thomson on the woman's right to choose Habermas on abortion Nussbaum and Koppelman on same sex relations and Dummett and Weithman on open borders The volume's

previously unpublished papers include a foundational consideration of labour unions a fresh statement of a new grounding for the morality of sex a surprising reading of C S Lewis s Abolition of Man on contraception and an introduction reviewing some of the remarkable changes in private and public morality over the past half century *Stanley Melbourne Bruce* David Lee,2010-05-20 Australia s Prime Minister and premier diplomat in the 1930 1940s this new biography presents him as a consistent internationalist and places him in a global context Stanley Melbourne Bruce was at the centre of Imperial politics for more than two decades from the early 1920s until the end of the Second World War This new biography presents Bruce as a consistent internationalist Educated in Melbourne and Cambridge Bruce as a businessman was alive to the importance of international commerce and particularly Anglo Australian trade This lay at the core of his internationalism which took the form in the 1920s of encouraging the political and economic integration of the British Empire Bruce s punitive treatment of militant Australian trade unionists and his upholding of constitutionalism and law and order in the 1920s was part of an effort to defend one form of internationalism commitment to the British Empire against the competing international ideology of communism While continuing to support a unified British Empire acting as a progressive force in world affairs Bruce championed stronger international collaboration through the League of Nations and the United Nations and through cooperation between the Empire and the United States *Writing in Hope and Fear* John McLaren,1996 A compelling critical and historical account of politics in postwar Australian literary culture *Dictionary of World Biography* Barry Jones,2025-01-06 Jones Barry Owen 1932 Australian politician writer and lawyer born in Geelong Educated at Melbourne High School and Melbourne University he was a public servant high school teacher television and radio performer university lecturer and lawyer before serving as a Labor MP in the Victorian Parliament 1972 77 and the Australian House of Representatives 1977 98 He took a leading role in reviving the Australian film industry and abolishing the death penalty in Australia and was the first politician to raise public awareness of global warming the post industrial society the IT revolution biotechnology the rise of the Third Age and the need to preserve Antarctica as a wilderness In the Hawke Government he was Minister for Science 1983 90 Prices and Consumer Affairs 1987 Small Business 1987 90 and Customs 1988 90 He became a member of the Executive Board of UNESCO Paris 1991 95 and National President of the Australian Labor Party 1992 2000 2005 06 He was Deputy Chairman of the Constitutional Convention 1998 His books include *Decades of Decision* 1860 1965 *Joseph II* 1968 *Age of Apocalypse* 1975 and *Knowledge Courage Leadership Insights Reflections* 2016 and he edited *The Penalty Is Death* 1968 revised and expanded 2022 His bestseller *Sleepers Wake Technology and the Future of Work* 1982 Fourth edition published in 1995 has been translated into Chinese Japanese Korean Swedish and braille

Great Australian Dissents Andrew Lynch,2016-09-08 This book identifies analyses and celebrates the significant and influential dissenting judicial opinions in Australian legal history **Reason, Morality, and Law** John Keown DCL,Robert P. George,2013-03-21 John Finnis is a pioneer in the development of a new yet classically grounded theory of natural law His

work offers a systematic philosophy of practical reasoning and moral choosing that addresses the great questions of the rational foundations of ethical judgments the identification of moral norms human agency and the freedom of the will personal identity the common good the role and functions of law the meaning of justice and the relationship of morality and politics to religion and the life of faith The core of Finnis theory articulated in his seminal work *Natural Law and Natural Rights* has profoundly influenced later work in the philosophy of law and moral and political philosophy while his contributions to the ethical debates surrounding nuclear deterrence abortion euthanasia sexual morality and religious freedom have powerfully demonstrated the practical implications of his natural law theory This volume which gathers eminent moral legal and political philosophers and theologians to engage with John Finnis work offers the first sustained critical study of Finnis contribution across the range of disciplines in which rational and morally upright choosing is a central concern It includes a substantial response from Finnis himself in which he comments on each of their 27 essays and defends and develops his ideas and arguments

The People's Treasures John Robert Thompson, 1993 Colourfully illustrated series of articles written to commemorate the 25th anniversary of the opening of the National Library of Australia Discusses the library's collections which include early Australian manuscripts documentary paintings and rare maps and books Also discusses related topics such as using and interpreting the national collection Includes chapter notes and sources The contributors are experts in their fields and include well known historian Stuart Macintyre and Jonathan Wantrup author of *Australian Rare Books 1788-1900*

Constitutionalism and Rights Louis Henkin, Albert J. Rosenthal, 1990 Why do smokers claim that the first cigarette of the day is the best What is the biological basis behind some heavy drinkers belief that the hair of the dog method alleviates the effects of a hangover Why does marijuana seem to affect one's problem solving capacity *Intoxicating Minds* is in the author's words a grand excavation of drug myth Neither extolling nor condemning drug use it is a story of scientific and artistic achievement war and greed empires and religions and lessons for the future Ciaran Regan looks at each class of drugs describing the historical evolution of their use explaining how they work within the brain's neurophysiology and outlining the basic pharmacology of those substances From a consideration of the effect of stimulants such as caffeine and nicotine and the reasons and consequences of their sudden popularity in the seventeenth century the book moves to a discussion of more modern stimulants such as cocaine and ecstasy In addition Regan explains how we process memory the nature of thought disorders and therapies for treating depression and schizophrenia Regan then considers psychedelic drugs and their perceived mystical properties and traces the history of placebos to ancient civilizations Finally *Intoxicating Minds* considers the physical consequences of our co evolution with drugs how they have altered our very being and offers a glimpse of the brave new world of drug therapies

Judges of the High Court Graham Fricke, 1986

Paul Hasluck Geoffrey Bolton, 2014 Annotation Sir Paul Hasluck was for almost two and a half decades one of Australia's most prominent politicians Born in Fremantle in 1905 and educated at Perth Modern School and The University of Western

Australia Hasluck worked for The West Australian and lectured at The University of Western Australia before moving into politics in 1949 After two decades in politics including a variety of ministerial responsibilities Hasluck was appointed as the 17th Governor General of Australia in 1969 This biography includes Hasluck s experience working for the Department of External Affairs during the Second World War It covers his career as a writer poet historian and politician providing a complete and enthralling portrait of one of Australia s great men Reports Great Britain. Parliament. House of Lords,1819

Report Committee on Madhouses,1815 Religion and Public Reasons John Finnis,2011-04-07 The essays in Religion and Public Reasons seek to argue for and illustrate a central element of John Finnis s theory of natural law that the main tenets of personal and political morality and of a good legal order are taught both by reason arguments accessible to everyone and by authentic divine revelation teachings accessible to all who have a reasonable faith in its witnesses The author s main books each include arguments for rejecting atheism and agnosticism several papers here take up these arguments and indicate ways in which they open onto the reasonable grounds for accepting that more about God s nature and about the meaning of Creation including ongoing natural evolution is disclosed by the revelation carried far forward among the Jewish people and given definitive form by the Jews and Greeks who assembled in the universal Church as witnesses of Christ to carry forward that revelation into our present Several papers argue that public reason properly includes such a religion and that Humeian Nietzschean Deweyian Rawlsian or other atheistical or deistic understandings of a reasonable secularism are badly mistaken Many substantial papers record the author s position in controversies within Catholicism since the 1960s on social justice contraception and abortion nuclear deterrence Newman on conscience before pope Maritain s hopes for a new Christendom and von Balthasar s for a hell empty of human persons and on proportionalism and Lonerganian historical consciousness as moral theological methods Previously unpublished papers include several University and college sermons and a substantial introduction
