 , 1982 Includes entries for maps and atlases      **Phil Spector** Sean MacLeod, 2017-11-15 Phil Spector is a musician  
 songwriter and producer whose musical ability and visionary foresight as a producer charted the future of popular music and  
 culture of the late 20th century He revolutionized recording processes and re shaped the business and marketing approach  
 of the music industry While he raised the bar for other musicians and producers to follow and gave a voice to groups  
 struggling to achieve equality during the 60s Spector was however a complex character whose need for control brought  
 much damage and confusion into the lives of those around him as well as into his own career and life Phil Spector Sound of  
 the Sixties follows the ups and downs of Spector's career as an entrepreneur and businessman technical wizard and musical  
 visionary record label master and collaborator with the biggest bands of the age Spector left an indelible mark on American  
 pop music creating an iconic soundtrack that still attracts new listeners today      Subject Catalog, 1982 Library of
