The Moro Affair Leonardo Sciascia, 2004-05-31 On March 16 1978 Aldo Moro a former Prime Minister of Italy was ambushed in Rome Within three minutes the gang killed his escort and bundled Moro into one of three getaway cars An hour later the terrorist group the Red Brigades announced that Moro was in their hands on March 18 they said he would be tried in a people's court of justice Seven weeks later Moro's body was discovered in the trunk of a car parked in the crowded center of Rome The Moro Affair presents a chilling picture of how a secretive government and a ruthless terrorist faction help to keep each other in business Also included in this book is The Mystery of Majorana Sciascia's fascinating investigation of the disappearance of a major Italian physicist during Mussolini's regime

The Marchesa Simonetta Agnello Hornby, 2025-06-25 A richly evocative tale of a woman's struggle for life and love A triumphant follow up to Simonetta Agnello Hornby's internationally acclaimed The Almond Picker this entertaining new novel is an intricate family saga interwoven with violent passions cruelty deceit and the abuse of power The Marchesa is an eyeopening historical drama about a remarkable woman and her extraordinary family and the complex often abusive relations that mark the lives of master and servant brother and sister husband and wife Costanza Safamita beloved daughter of Baron Domenico Safamita is

a precious but unusual child Redhaired gawky and shy she is considered an outsider by many on the family estate but her adoring father makes her sole heir to the Safamita fortune and then everything changes for them and for her Now she must conquer glittering alien Palermo where uncertain of her future she falls in love with a charming dissolute young marchese whose sexual appetite she fears she cannot satiate The Marchesa s brave unusual story offers an unprecedented woman s perspective on the incestuous hypocrisy of the Sicilian aristocracy during a dramatic time in its history as the Bourbon monarchy collapsed the Mafia rose to power and Palermo s decadent aristocracy began its inevitable decline These themes are flawlessly woven into the fabric of Costanza s triumphant life so that The Marchesa becomes not only an unforgettable human tale but a masterly fresco of a vanished world

Ink Stone Jamie McKendrick, 2011-06-16 The best ink stones are slates from Chinese riverbeds but in the long history of their use these have all been found As one expert writes the better the stone the smaller and more consistent the particles will be and the denser the ink These new poems by Jamie McKendrick have a remarkable density of ink They explore the grain or tooth of the natural world with unusual and discomforting detail at the same time as they chart the medium they work in not only what the eye sees but the eye itself its structure and structurings These poems open onto conflicting perspectives of home and abroad the domestic and the wild the natural and the uncanny elegy and celebration

Poetry & Displacement Stan Smith, 2007-11-01 The paradigmatic figure of twentieth century history is the displaced person a concept which emerged from the demographic migrations deportations and genocidal purges that accompanied two world wars the destruction and construction of nation states and the restructuring of the global order which they occasioned These processes almost inevitably fostered a poetry of exile and expatriation intimately bound up with the experience of modernity and the culture of modernism culminating in the postcolonial era with the globalisation of displacement as the determining condition of postmodernity In this timely new volume renowned poetry critic Stan Smith examines a number of poets Plath Larkin Heaney Walcott Middleton Fisher Duffy

through the lens of displacement *Out There* Jamie McKendrick,2012-10-04 Jamie McKendrick s sixth collection starts from the far flung out there is the nothing or the something of outer space ascertaining the mood of an observer on Uranus or the perils of medieval travel or listening for the speech of alien landscapes Closer to home the poems adopt an outsiderish stance as they ponder the business of non belonging and draw up wry inventories of marginality finding room for those whom history has forgotten the inhabitants of a drowned valley in Wales or equally for the outcasts of natural history the northern bald ibis the hyena the moa whose skeleons are cairns to their own extinction But the poems themselves are vivid and stubbornly realised individuals they take short views make canny distinctions and tread carefully Invoking paintings and artefacts and facades they also add to an ongoing portrait of the artist caught for example amidst the patiently observed flotsam of a repeatedly flooding house which becomes more finely drawn with each of Jamie McKendrick s collections
