*The Writers Directory*, 2013      *Growing Older* James T. Sears, 2013-09-13 LGBT older adults experience issues and challenges that are unique including institutional heteronormativity heterosexism in organizations and homophobia among caregivers and social service providers This book presents a diverse group of scholars activists social service providers and researchers from around the globe examining current research practices and policies on aging among LGBT individuals This revealing source lays out the significant challenges faced not only by this aging sexual minority population but also for their social service providers and those who train them The chapters explore the Greater London area Polari Project the adjustments made in the long running HIV support group at St Paul s Hospital in Vancouver and the Liberation Psychology workshops in Ireland for lesbian and transgendered persons This volume can serve as an excellent teacher resource for engaging undergraduate and graduate students in various professions who will be working with older LGBT adults This text is extensively referenced and includes tables to clearly present research This book is a valuable source for program administrators and supervisors human behavior researchers psychologists and psychotherapists social planners and policy specialists community developers and organizers case managers direct service practitioners involved with LGBT communities educators and students This book was published as a special issue of the Journal of Gay Lesbian Social Services      **New Books on Women and Feminism**, 2001      **Accounting for Social Value** Laurie Mook, 2013-01-01 Accounting for Social Value offers academics accountants policy developers and members of non profit co operative and for profit organizations tools and insights to explore the connections between economic social and environmental dimensions      My Partner, My Enemy John Michael Leventhal, 2016-06-03 The problem of domestic violence and partner abuse knows no bounds can affect anyone and when kept silent and in the dark can become deadly Hon John Leventhal presided over the Brooklyn Felony Domestic Violence Court the first felony domestic violence part in the nation since it opened in June 1996 until he was elevated to the appellate court January 2008 While domestic violence has greater social and legal visibility today then it did in the past the problem still remains a massive and ongoing crisis My Partner My Enemy brings truth and reality to a matter that desperately needs to be addressed So how do we help reduce and eliminate intimate partner abuse especially when the public knows so little and much goes unreported By exploring the severity of the problem through true case studies of violent and abusive men and their motivations Leventhal successfully brings to light the problem and ways to help      *Aging with Grace* David Snowdon, 2002-04-30 In 1986 Dr David Snowdon one of the world s leading experts on Alzheimer s disease embarked on a revolutionary scientific study that would forever change the way we view aging and ultimately living Dubbed the Nun Study because it involves a unique population of 678 Catholic sisters this remarkable long term research project has made headlines worldwide with its provocative discoveries Yet Aging with Grace is more than a groundbreaking health and science book It is the inspiring human story of these remarkable women ranging in age from 74 to 106 whose dedication to serving others may help all of us live longer and healthier lives Totally accessible with fascinating portraits of the nuns and

the scientists who study them Aging with Grace also offers a wealth of practical findings Why building linguistic ability in childhood may protect against Alzheimer s Which ordinary foods promote longevity and healthy brain function Why preventing strokes and depression is key to avoiding Alzheimer s What role heredity plays and why it s never too late to start an exercise program How attitude faith and community can add years to our lives A prescription for hope Aging with Grace shows that old age doesn t have to mean an inevitable slide into illness and disability rather it can be a time of promise and productivity intellectual and spiritual vigor a time of true grace **Aging Bodies** Christopher A. Faircloth,2003-06-11

Western thought traditionally divides the human being into a body mind dualism a divide realized in the divergent research fields of geriatrics and gerontology the first examines the physical body and the second focuses instead upon psychological and social aspects of aging Research Health Scientist Christopher Faircloth s edited volume of original pieces attempts to bridge this rift reinserting the physical aging body and its lived experiences back into gerontology s study of aging He asks Is it not the physical body that readily marks us as aging Faircloth organizes this text around two major themes of the aging body everyday experience and the social and personal impact of its imagery while concentrating on three areas of substantive concern medicalization gender sexuality and the body as consumer This book would be of interest to gerontologists social scientists and students of these fields concerned with the aging body both object and subject as experienced and alternatively perceived in relation to contemporary society **Aging in America** John C.

Cavanaugh,Christine K. Cavanaugh,2009-12-14 This three volume set provides insightful and understandable summaries of the state of the art studies of aging the most important social demographic issue facing America today Aging in America will help us plan for the future and meet the needs of what has already become an 11 fold increase in the number of U S residents 65 or older Organized around three broad themes related to aging psychological issues mental and physical health and social issues with a volume devoted to each this unique set rallies respected scholars from across disciplines to discuss a phenomenon that will profoundly affect each of us individually and our society as a whole The volumes cover a wide range of topics including neuroscience memory end of life choices health care giving medication adherence the benefits of exercise personal relationships elder abuse and other vital issues The gains of longevity are explored as are the agonies of loss as we age As a society we need to assure that older adults not only survive but thrive This set helps point the way **The**

**Portfolio Bubble** J. Michael Willard,2005-02 The first wave of baby boomers is reaching retirement age Some are professionals who don t aspire to retire For some retiring and spending time on the golf course or with grandkids is the ultimate reward after a life of work For others work is the reward and it is for those people professionals who plan to continue working at age 60 and beyond that Mike Willard has written The Portfolio Bubble Surviving Professionally at 60 In The Portfolio Bubble Willard offers practical advice for professionals who find themselves planning for the next phase of their working life He shows how to add life experiences and professional abilities to a work portfolio that can be used to launch a
