The key to becoming a really good passing team is by having a drill that imitates real game like situations and teach your players that first that they will not make in a game. This book does just that and will help to improve both your learning. Surely you do some of the same fundamental drills that everyone does but how do you turn your group of players into an elite passing team? To improve passing, your players must work on it consistently. The Passing Drills playbook is loaded with drills that put your players in game like situations where they are forced to make the correct decisions and make accurate passes. This book gives you over 1000 pages and 16 different categories that we break every drill down into. Whether it's improving your team's PNR passing, one more pass concepts, outlet passes, or post entry passes, and more, this book has you covered. The library of passing drills will be the only resource for team passing that you will ever need, and more importantly, it will immediately help your program win more games.

Features: 1078 Pages, 16 Different Passing Drill Categories, Over 400 Different passing drills for you to choose from. You cannot expect to be a good passing team if we do not work on it in daily. The key to becoming an outstanding passing team is by having some drills that simulate real game like situations and the types of passes that players will need to make in a game. This book does just that: Improve your players and your team's passing.
