Six Days In June How Israel Won The 1967 ArabIsraeli War:

Six Days in June Eric Hammel,2001-03 **Six Days in June** Eric M. Hammel,1992 Chronicles the 1967 Six Day War to unite the story of development of Israel s military training and planning with an account of Israel s victories Six Days of War Michael B. Oren,2003-06-03 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of Ally now featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist s command of narrative and a historian s grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative Six Days of War is the most important book on the Middle East conflict to appear in a generation Praise for Six Days of War Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren s book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it s one of the best written books I ve read this year in any genre The Jerusalem Post In Michael Oren s richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren s narrative is precise but written with great literary flair In no one else s study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News **The June 1967 Arab-Israeli Six-Day War** Tom Cooper,Efim Sandler,2024-01-20 In June 1967 Israel which seemed on the verge of being annihilated by its Arab neighbors took six days to redraw the Middle Eastern strategic map in one of the most dramatic reversals of fortune in modern times The success was over a decade in the making following the Suez Crisis with the Israeli forces being radically changed to create an army and air force upon which the country would rely when it became obvious the international community would take no action to implement guarantees made after the events of 1956 The Israeli forces were honed in low level clashes during the 1960s notably the Water Wars which the Israelis did so much to provoke By contrast the Arab forces became

complacent largely due to supplies of arms from the Warsaw Pact states With proper training this complacency could have been turned into military effectiveness but the Arab forces were plagued by internal rivalries and high commands too often depending upon politically reliable officers rather than those who were militarily effective The Egyptian forces were further undermined by their commitment to the debilitating Yemen Civil War which meant they were in no condition to confront Israel Syria and Jordan whose forces could not fight the Israelis alone complained loudly about President Nasser's lack of action against Israel Nasser's decision in early 1967 to regain the prestige he had lost since the heady days of the Suez Crisis with a demonstration in the Sinai Peninsula was interpreted by the Israelis as preparations for an invasion Nasser did nothing to persuade them otherwise and when it was clear the international community would do nothing the Israelis decided to strike Egypt and in turn Syria and Jordan The Israeli campaign was heralded by a massive surprise air attack first on the Egyptians and then on the other neighboring states and ground offensives then followed in succession Volume 1 of The June 1967 Arab Israeli Six Day War provides an in depth background to the long running confrontation between Arab and Jew in the Middle East a detailed overview of the rival air forces that would become embroiled in the conflict and an account of the opening Israeli air strikes against Egyptian targets This volume is illustrated throughout with original photographs and includes specially commissioned full color aircraft profiles

Israeli-Palestinian Conflict: from Balfour Promise to Bush Declaration Gabriel G. Tabarani, 2008-03-25 In the coming five to ten years the highest number of key global security challenges is likely to be concentrated in the Middle East or be related to it And the traditional most significant challenge in the Middle East is the Arab Israeli conflict and its core the dispute between Israelis and Palestinians It is a center of gravity around which the region has revolved and remains of vast political and symbolic significance Both in its own right and due to its positive or negative signaling effects reinvigoration of the peace process is a key challenge for regional and international policy makers in the coming years So what is the origin of this Israeli Palestinian old conflict Why did we reach this point in that region Who to blame How we can find a just solution What will be the consequences if the conflict is not resolved Can a viable state be made in the West Bank and the Gaza Strip Gabriel Tabarani who is a specialist on Middle East affairs will try to find the answers in this book where he takes us back to that region through its history and facts analyzes some turning points in it which affected that region discovers the causes and the important aspects of the conflict and the obstacles to peace He presents all current events details and information from both sides of this conflict Furthermore this book offers some recommendations on how we can solve this conflict gives the light on all events and tries to answer all questions in a fair and balanced way

[The Encyclopedia of the Arab-Israeli Conflict](#) Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to

the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Combined Arms Warfare in Israeli Military History David Rodman, 2018-12-07 Combined arms warfare CAW the integration of different arms on the battlefield e g armor infantry artillery aircraft and engineers in order to achieve maximal efficiency there is as old as war itself Every army across both time and space that has engaged in combat has practiced one version or another of CAW whether consciously or otherwise The Israel Defense Forces IDF has been no exception to the rule This book traces the Israeli experience with CAW from the countrys War of Independence in 1947-49 against a coalition of Arab states through Operation Protective Edge in 2014 against a coalition of Hamas led terrorist insurgent groups It describes and analyzes the IDFs practice of CAW in each interstate war IW asymmetrical war AW and low intensity conflict LIC that Israel has fought since the countrys establishment in the mid twentieth century The book also highlights the Israeli approach to CAW in respect of special operations SPEC OPS With no end in sight to the Arab-Israeli conflict and with further hostilities between Israel and its neighbors virtually assured in the future Combined Arms Warfare in Israeli Military History constitutes an essential addition to the literature about Middle Eastern warfare This book is aimed primarily at the academic and research community but it is fully accessible to anyone with an interest in Israeli military history

Arab-Israeli Conflict Priscilla Roberts, 2014-07-15 Truly an essential reference for today s world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat
