

Six Mountain Travels The Alpinestyle Firstascent Of The Southwest Face

Lei Shi

Six Mountain Travels The Alpine style First ascent Of The Southwest Face:

Appalachia Charles E. Fay, J. Rayner Edmonds, 1984 *Climbing*, 2007 **The Himalayan Club Newsletter**, 1975
Summit Magazine, 1982 Shishapangma Doug Scott, Alex MacIntyre, 2014-04-10 In 1982 following the relaxation of access restrictions to Tibet six climbers set off for the Himalaya to explore the little known Shishapangma massif in Tibet. Dealing with a chaotic build up and bureaucratic obstacles so huge they verged on comical the mountaineers gained access to Shishapangma's unclimbed South West Face where Doug Scott, Alex MacIntyre and Roger Baxter Jones made one of the most audacious and stylish Himalayan climbs ever. First published in 1984 as *The Shishapangma Expedition* Shishapangma won the first ever Boardman Tasker Prize for Mountain Literature. Told through a series of diary style entries from all the climbers involved Shishapangma reveals the difficult nature of Himalayan decision making, mountaineering tactics and climbing relationships. Tense and candid the six writers see every event differently reacting in different ways and pulling no punches in their opinions of the other mountaineers quite literally at one point. Nonetheless the climbers at the peak of their considerable powers and experience completed an extremely committing enterprise. The example set by their fine climb survives and several new routes all done in alpine style have now been added to this magnificent face. For well trained climbers such ascents are fast and efficient but the consequences of error, misjudgement or bad luck can be terminal and sadly soon afterwards two of the participants were struck down in mountaineering accidents. MacIntyre hit by stonefall on Annapurna's South Face and Baxter Jones being caught by an ice avalanche on the Aiguille du Triolet. In addition their support climber Nick Prescott died in a Chamonix hospital from an altitude induced ailment. Shishapangma is a gripping first hand account of the intense reality of high altitude alpinism. **Shisha Pangma** Doug Scott, 1999 *First Ascent* Stephen Venables, 2008. First hand accounts and archival photos chronicle the first ascent of 24 of the world's most daunting mountains and traces the development of climbing styles and technology. It includes ascents made between 1865 and 2005 and all types of mountaineering.

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Witness the Wonders in **Six Mountain Travels The Alpinestyle Firstascent Of The Southwest Face** .
