Six Notch Road Lew Osteen, 2017-06-05 **SIX NOTCH ROAD** the first book in The Joshua Trail Trilogy is an epic western in the tradition of The Outlaw Josie Wales and The Searchers It is the story of a peaceable Welsh Coal Miner of immense size but easy disposition who pursues Six Brothers who murdered his wife from the Coal Mines of Pennsylvania to the Gold mines of California Over the course of this pursuit he learns how to be a deadly gunfighter but a new love clouds his reason just when he needs the killer instinct the most Eli checked The Colt Peacemaker he kept in a cross over holster He hefted it to assure himself it was ready if need be Once an awkward feeling to hold it was now a source of much comfort to him Now it belonged in his hands and he had total confidence in his ability to use it Where a pick axe handle had once felt comfortable in his hand but was a source of drudgery and pain the feel of a gun handle was now a source of power and joy Then his thumb felt the handle of his Peacemaker absent the one notch he wanted most of all

Six Notch Road EARLY. SANTEE, 2002 **The Joshua Trail** Early Santee, 2002 *A Season of Reckoning* Lew Osteen, 2017-06-15 Eli has one notch to go *A Season of Reckoning* is the final chapter of the epic western saga The Joshua Trail Trilogy The Joshua Trail Trilogy which began with *Six Notch Road* and

continued with The Joshua Trail now reaches its long awaited and exciting conclusion After ten long years of pursuing the hated Joshua brothers from the coal mines of Pennsylvania to the gold mines of California south of the border deep into the badlands of Mexico and back again at long last Eli has his fated showdown with Jules Joshua the most evil man who ever lived Eli has lost more than he can ever gain by killing Jules but he is determined to carve that last notch into his gun handle Jules intends to deny him that pleasure There is A Season of Reckoning for only one of them Jules took one last look in his son s direction as he held Eli s notched gun in his hand You think you the law or something now Eli It s exactly like that Jules Well if that don t beat all Jules chuckled as he looked at Eli s gun His mood turned sad then sinister as he let his thumb ease over the first notch He retched as he thought on what the notches represented I done some mean things in my life as a sinning man but no thing as evil as what you done on this gun handle Killing a man is a natural thing Gloating on it is a godless act It was no more than what was deserved You thinking on cutting one more I expect there ll be six soon enough You gonna cut your own self in the handle Jules voice cracked as he looked at the hatred on his son s face Hot salty tears of bitterness formed at the corners of his eyes Deep in the darkest corners of the tortured recesses of his being a last flickering glimmer of a soul emerged Ben You look on and see who can rightly claim to be your father Ben turned away Jules thought it over and holstered the gun Then he reached down and offered Eli a hand up Eli looked doubtful then took the hand and got to his feet Without a need for words they checked their gun loads then holstered their pistols and eased to a proper distance They paused for a moment of mutual respect before a nod to be at the ready Jules tipped his hat to Stella She smirked Ben turned and looked on with curious eyes not sure which man to champion The streets fell silent There was a mean eternity of restless rawhide eager iron and itchy fingers then a flash of gunfire

relatives die of starvation and had vowed it would never happen to her She had endured the terrible Atlantic coffin ship passage as a young woman and had known what it was like to huddle in the cold damp darkness below the decks of the stinking overcrowded ship She had walked among human excrement and wallowed in vomit She had endured the vituperative scorn of those who despised her people Stella had never known what it was like to be a child Jules did not take his eyes off of Maria for a second He took his new Colt from his belt and lay it on the table in front of him He pondered where he would place the shots that he would use to kill Juan and have her all to himself A kill shot was to be last after bullets tore flesh and broke bone to cries of agony He shivered with pleasure as he thought of how he would take Maria without the slightest smile of consent He wanted the spit of hatred to ooze on his cheek feel her fire red fingernails tearing at his flesh and have her screams echoing in his ears as he took her in his time and for as many times as it pleased him
