Six Poems From The Russian:

Six Poems from the Russian Jacob Krup, Aleksandr Sergeevich Pushkin, 1936 **Twentieth- and Twenty-First-Century Song Cycles** Gordon Sly, Michael R. Callahan, 2020-11-23

Twentieth and Twenty First Century Song Cycles Analytical Pathways Toward Performance presents analyses of fourteen song cycles composed after the turn of the twentieth century with a focus on offering ways into the musical and poetic structure of each cycle to performers scholars and students alike Ranging from familiar works of twentieth century music by composers such as Schoenberg Britten Poulenc and Shostakovich to lesser known works by Van Wyk Sviridov Wheeler and Sanchez this collection of essays captures the diversity of the song cycle repertoire in contemporary classical music The contributors bring their own analytical perspectives and methods considering musical structures the composers selection of texts how poetic narratives are expressed and historical context Informed by music history music theory and performance Twentieth and Twenty First Century Song Cycles offers an essential guide into the contemporary art music song cycle for performers scholars students and anyone seeking to understand this unique genre

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators
