The Ninth Vermont Infantry Paul G. Zeller,2022-04-08 This work follows the Ninth Vermont from the horrors of its first combat and humiliating capture at Harpers Ferry in September 1862 to its triumphal march into Richmond

in April 1865 Through diaries and letters written by members of the unit one relives the riveting day by day account of the men in battle on the march and in camp With seldom seen photographs of many of the regiment s members detailed maps and a complete regimental roster this book tells a compelling story     **John Brown, Abolitionist** David S.

Reynolds,2009-07-29 An authoritative new examination of John Brown and his deep impact on American history Bancroft Prize winning cultural historian David S Reynolds presents an informative and richly considered new exploration of the paradox of a man steeped in the Bible but more than willing to kill for his abolitionist cause Reynolds locates Brown within the currents of nineteenth century life and compares him to modern terrorists civil rights activists and freedom fighters Ultimately he finds neither a wild eyed fanatic nor a Christ like martyr but a passionate opponent of racism so dedicated to eradicating slavery that he realized only blood could scour it from the country he loved By stiffening the backbone of Northerners and showing Southerners there were those who would fight for their cause he hastened the coming of the Civil War This is a vivid and startling story of a man and an age on the verge of calamity     *Raising the White Flag* David

Silkenat,2019-02-27 The American Civil War began with a laying down of arms by Union troops at Fort Sumter and it ended with a series of surrenders most famously at Appomattox Courthouse But in the intervening four years both Union and Confederate forces surrendered en masse on scores of other occasions Indeed roughly one out of every four soldiers surrendered at some point during the conflict In no other American war did surrender happen so frequently David Silkenat here provides the first comprehensive study of Civil War surrender focusing on the conflicting social political and cultural meanings of the action Looking at the conflict from the perspective of men who surrendered Silkenat creates new avenues to understand prisoners of war fighting by Confederate guerillas the role of southern Unionists and the experiences of African American soldiers The experience of surrender also sheds valuable light on the culture of honor the experience of combat and the laws of war     Forensic and Ethical Issues in Military Behavioral Health Elspeth Cameron Ritchie,2014     Ellet's

Williams chief justice of the Rhode Island Supreme Court and one of the nation's leading authorities on Abraham Lincoln. Williams begins with a survey of the interest in and influence of Lincoln both at home and abroad and then moves into an analysis of Lincoln's personal character with respect to his ability to foster relationships of equality among his intimates. Williams then addresses Lincoln's leadership abilities during the span of his career with particular emphasis on the Civil War. Next, he compares the qualities of Abraham Lincoln, Franklin D. Roosevelt, and Winston Churchill. The final essay, cowritten with Mark E. Neely Jr., concerns collecting Lincoln artifacts as a means of preserving and fostering the Lincoln legacy.

**Valley Thunder** Charles R. Knight, 2010-05-10 An exciting and informative account of the Civil War battle that opened the 1864 Shenandoah Valley Campaign with illustrations included. Lone Star Book Review

Charles Knight's Valley Thunder is the first full-length account in decades to examine the combat at New Market on May 15, 1864, that opened the pivotal Shenandoah Valley Campaign. Lt. Gen. Ulysses S. Grant, who set in motion the wide-ranging operation to subjugate the South in 1864, intended to attack on multiple fronts so the Confederacy could no longer take advantage of interior lines. A key to success in the Eastern Theater was control of the Shenandoah Valley, an agriculturally abundant region that helped feed Gen. Robert E. Lee's Army of Northern Virginia. Grant tasked Maj. Gen. Franz Sigel, a German immigrant with a mixed fighting record and a motley collection of units numbering some 10,000 men, to clear the Valley and threaten Lee's left flank. Opposing Sigel was Maj. Gen. and former US Vice President John C. Breckinridge, who assembled a scratch command to repulse the Federals. Included in his 4,500-man army were Virginia Military Institute cadets under the direction of Lt. Col. Scott Shipp, who'd marched eighty miles in four days to fight Sigel. When the armies faced off at New Market, Breckinridge told the cadets, "Gentlemen, I trust I will not need your services today, but if I do, I know you will do your duty." The sharp fighting sawed back and forth during a drenching rainstorm and wasn't concluded until the cadets were inserted into the battle line to repulse a Federal attack and launch one of their own. The Union forces were driven from the Valley but would return reinforced and under new leadership within a month. Before being repulsed, they would march over the field at New Market and capture Staunton, burn VMI in Lexington partly in retaliation for the cadets' participation at New Market, and very nearly capture Lynchburg. Operations in the Valley on a much larger scale that summer would permanently sweep the Confederates from the Bread Basket of the Confederacy. Valley Thunder is based on years of primary research and a firsthand appreciation of the battlefield terrain. Knight's objective approach includes a detailed examination of the complex prelude leading up to the battle, and his entertaining prose introduces soldiers, civilians, and politicians who found themselves swept up in one of the war's most gripping engagements.
