Slovakia And The Slovaks:

Slovakia and the Slovaks Joseph A. Mikuš,1977 The Encyclopaedia of Slovakia and the Slovaks Tamara Archleb Gály,2006 Super Slovaks Global Slovakia,2021-07-11 This is a book about 48 Super Slovaks and their true stories of bravery and adventure creativity and skill And since there are no heroes without villains this book also represents two stories of not so super Slovaks Together they reveal a history of Slovakia Do You Know Which super Slovak was the last human on the moon Which super Slovak escaped a Nazi prison by jumping out of a window Which super Slovak built the first skyscraper in Asia Which super Slovak changed the course of the Second World War Find the answers And much more inside Super Slovaks Slovakia Peter A. Toma,Dušan Kováč,2001 From medieval times to the current day historical accounts of Slovakia and the Slovak people have often been either sketchy romanticized versions of a pastoral society or nationalistic exaggerated exaltations of the past Now Slovakia From Samo to Dzurinda at last offers a true history of the Slovak people without prejudice their struggle for national identity their aspirations for independence and economic development and their ambition to become a democratic state The product of painstaking research by the authors one a naturalized American from Slovakia and the other a Slovak historian this book is the definitive volume for readers in the English language who wish to acquire a more sophisticated understanding about past and present Slovakia From the seventh century empire of Samo the first Slav king to the present day struggle for democracy the authors detail all the region s significant history They examine the Slovaks Slavic ancestors and the emergence of a modern Slovak nation the postwar communist dictatorship and the Prague Spring the fall of socialism from the Velvet Revolution to the breakup of the Czechoslovak Federation and the ongoing process of trying to establish democratic institutions in today s independent Slovakia All readers regardless of their ethnic origin or political persuasion will find that this factual and scholarly historical survey of the Slovaks and Slovakia offers an illuminating new perspective on a people whose history has often been clouded by the interests of those who wrote about them BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *A History of Slovakia* Stanislav J. Kirschbaum,2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia s resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia s membership in NATO and the European Union **Slovakia in History** Mikuláš Teich,Dušan Kováč,Martin D. Brown,2011-02-03 Until the dissolution of Czechoslovakia Slovakia s identity seemed inextricably linked with that of the former state This book explores the key moments and themes in the history of Slovakia

from the Duchy of Nitra's ninth century origins to the establishment of independent Slovakia at midnight 1992/3. Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement. They show how after a thousand years of Magyar-Slovak coexistence Slovakia became part of the new Czechoslovak state from 1918/39 and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989. There is no comparable book in English on the subject.

Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14. On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history: two decades of democratic government and personal freedom. This is so far the longest period of such rule in their history. This anniversary surpasses by a few months their only previous generation-long experience, namely in the First Czechoslovak Republic 1918-1938. The difference, of course, is that the Slovaks no longer share a state with another nation but run their own affairs. Slovakia is now an accepted and recognized member in the family of nations whose athletes, artists and other notable personalities are acknowledged around the world. It is a member of international organizations and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world. The third edition of *Historical Dictionary of Slovakia* provides a thorough update of the many accomplishments that Slovakia has achieved. This is done through a chronology, an introductory essay and an extensive bibliography. The cross-referenced dictionary section has over 1000 entries on significant persons, places and events, political parties and institutions, literature, music and the arts. This book is an excellent resource for students, researchers and anyone wanting to know more about Slovakia.

[Slovakia - Culture Smart!](#) Brendan Edwards, Culture Smart!, 2011-09-01. Slovakia has struggled with a low international profile. Often overlooked as the Czech Republic's little sister, it is a young country with an old culture and history and a people who are proudly Central, not Eastern European. Although for much of the twentieth century Czechs and Slovaks lived together in one state, there are important differences between them, differences that ultimately contributed to separation in 1993 and the rebirth of a sovereign Slovak state. Generally speaking, the Slovaks are more Slavic than the Czechs; their pace of life is slower and their spare time is more often filled with friends, family and music. They are known to be resistant to change, yet change has been a constant in the state's short economic and political history, from the fall of communism in the Velvet Revolution of late 1989 to the Velvet Divorce of Czechoslovakia in 1993, to widespread economic diversification, expansion and global influence to European Union membership in 2004 and the adoption of the euro in 2009, and they have adapted with quiet optimism. Slovakia has been referred to as the economic tiger of Europe and now that it has EU membership and a healthy industrial economy, Europeans are starting to take notice. Its popularity as a tourist destination has been growing rapidly in recent years. Slovaks call their country the Heart of Europe, a term that describes not only their geography but the Slovak

character which is warm deeply hospitable and immensely proud Visitors who step outside Bratislava s Star mesto Old Town and take the time to explore the country beyond will discover a landscape of plains meadows mountains natural spas and hundreds of ancient castles and a people at once modest stoical humorous and responsive This book captures the essence of what makes the Slovak people unique and explains something of the quirks and memorable aspects of their lifestyle It opens a window onto their inner world their customs and celebrations and describes what to expect and how to behave in different situations While the country is not without its frustrations for foreigners most visitors succumb to its charms Few have left without yearning to return to the little big country *Slovakia: Doing Business and Investing in Slovakia Guide - Strategic and Practical Information* IBP, Inc.,2015-01-24 2011 Updated Reprint Updated Annually Doing Business and Investing in Slovakia Guide **Slovakia Investment and Business Guide Volume 1 Strategic and Practical Information** IBP USA,2013-08 Slovakia Investment and Business Guide Strategic and Practical Information *The Czech And Slovak Republics* Carol Leff,2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia s development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book s strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe *Slovakia Mineral, Mining Sector Investment and Business Guide Volume 1 Strategic Information and Regulations* IBP USA,2013-08 Slovakia Mineral Mining Sector Investment and Business Guide Strategic and Practical Information Slovak Pittsburgh Lisa A. Alzo,2006 No other city in the United States is home to more Slovaks than Pittsburgh It is estimated that close to 100 000 Slovak immigrants came to the area in the 1890s looking for work and the chance for a better life The hills and valleys of this new land reminded newcomers of the farms forests and mountains they left behind They lived in neighborhoods close to their work forming numerous cluster communities in such places as Braddock Duquesne Homestead Munhall the North Side Rankin and Swissvale Once settled Slovak immigrants founded their own churches schools fraternal benefit societies and social clubs Many of these organizations still enjoy an active presence in Pittsburgh today serving to pass on the customs and traditions of the Slovak people Through nearly 200 photographs Slovak Pittsburgh celebrates the lives of those Slovaks who settled in Pittsburgh and western Pennsylvania and the rich heritage that is their legacy **Historical Dictionary of Slovakia** Stanislav J. Kirschbaum,2013-11-14 On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history two decades of

democratic government and personal freedom This is so far the longest period of such rule in their history This anniversary surpasses by a few months their only previous generation long experience namely in the First Czecho Slovak Republic 1918 1938 The difference of course is that the Slovaks no longer share a state with another nation but run their own affairs Slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organization s and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia *Slovakia and Its People* Gilbert Lawrence Oddo,1960 **The Slovak Dilemma** Steiner,1973-05-10 The Slovak Dilemma is a case study in nationalism Accepting the view that the four and a half million Slovaks who inhabit the eastern part of Czechoslovakia are a separate Slav ethnic group Dr Steiner describes their position in Czechoslovak history their role in political life the extraordinary persistence and continuing frustration of their national aspirations After a brief survey of the history of the Slovaks under Hungarian rule Dr Steiner examines their position in the democratic Czechoslovak Republic which was established in 1918 He analyses the causes of Slovak discontent and shows that although the new constitution granted full expression to Slovak culture it limited complete development of Slovak national rights Nevertheless he suggests that Slovak separatism played little part in the dismemberment of Czechoslovakia in 1938 and that the real attitude of the people towards Hitler s puppet Slovak State was eloquently expressed in their tragic rising against it in August 1944 **Slovakia on the Road to Independence** Paul Hacker,2010 This memoir covers the volatile political intrigues surrounding the breakup of Czechoslovakia and the founding of independent Slovakia in 1993 **Slovak Republic Labor Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws** IBP, Inc.,2011-11-06 Slovak Republic Labor Laws and Regulations Handbook Strategic Information and Basic Laws **Slovakia Past and Present** Cecil John Charles Street,1928 **Illustrated Slovak History** Anton Špiesz,Dušan Čaplovič,2006 Little contemporary scholarship on Slovak history exists in English This title fills an important gap in historiography about events throughout Central Europe over the last fourteen centuries It presents the history of Slovakia in terms of the latest scholarship and in the context of on going historical debate about Slovak history and its presentation in post socialist world Extensive footnotes by scholars 350 color illustrations Index Bibliography Foreword and Epilogue

Slovakia And The Slovaks Book Review: Unveiling the Power of Words
