

You were the sweetest
thing that I ever knew
But I don't care for
sugar honey if I can't
have you
Since you've
abandoned me
My whole life has
crashed
Won't you pick the
pieces up
'Cause it feels just like
I'm walking on broken
glass

Smack Him Make Him Cry A Clowns Odyssey

Homer

Smack Him Make Him Cry A Clowns Odyssey:

Smack Him! Make Him Cry! Steven Errol Stender, 2004-05 He was just a clown a wooden clown the product of a young boy's imagination but the clown seemed to have a life of his own His thoughts seemed to echo those of the boy Where does imagination begin and reality end Life with all its aches and pains could be just an illusion and the true reality may be that you and I are the creations of our imagination But there is a boy in this world a man now who is all the things that Whitey was and is So it may be that this is fictional fact or factual fiction Who knows **Holy As Robots** Johan Melin, Time is out of joint The world is disconnected and the people are hopeless When Varya finds a mystical AI she uses her grandfather Manolevski's old VR machine to consult him for help But something goes wrong and her grandfather uses her to get information from the future When Varya returns the Holoverse and Manolevski is back and he has a plan how he will take over the world with his AI The humans longing for distraction is so great that they're ready to do anything to go online again Even die Who cares in the Holoverse anyone becomes eternal for a short while Maybe there's a savior in Claudia maybe not Varya must travel through time and space to stop the genocide and find the secrets and the truth about Claudia the AI with a free will Johan Melin's final part in the CLAUDIA trilogy spans over hundred years from the Earthquake in Skopje 1963 to the Future 2063 It's a visionary family chronicle about AI time love apocalypse karma bots freedom and what makes us human
