Radio Speakers Jim Cox, 2024-10-17 In the days before television radio was the constant voice in American life When radio spoke America listened especially to the men and women who spoke directly to their unseen audience Sometimes formal sometimes as familiar as the friend next door their presence filled the airwaves announcers newscasters sportscasters showbiz reporters advice consultants emcees and breakfast chatterboxes These radio personalities became as popular and familiar as the most public faces of the time Here among profiles of more than 1100 radio speakers are famous names like George Ansbro Red Barber H. V. Kaltenborn Dorothy Kilgallen Edward R. Murrow Louella Parsons Walter Winchell and more Also amply represented are hundreds of lesser known individuals who left indelible auditory impressions Whether their fame was forever or fleeting all were a part of the American voice during the grand epoch of network radio

The President and the Apprentice Irwin F. Gellman, 2015-01-01 More than half a century after Eisenhower left office the history of his presidency is so clouded by myth partisanship and outright fraud that most people have little understanding of how Ike's administration worked or what it accomplished We know or think we know that Eisenhower distrusted his vice president Richard Nixon and kept him at arm's length that he did little to advance civil rights that he sat by as Joseph McCarthy's reckless anticommunist campaign threatened to wreck his administration and that he planned the disastrous 1961 Bay of Pigs invasion of Cuba None of this is true The President and the Apprentice reveals a different Eisenhower and a different Nixon Ike trusted and relied on Nixon sending him on many sensitive overseas missions Eisenhower not Truman desegregated the military Eisenhower and Nixon not Lyndon Johnson pushed the Civil Rights Act of 1957 through the Senate Eisenhower was determined to bring down McCarthy and did so Nixon never contrary to recent accounts saw a psychotherapist but while Ike was recovering from his heart attack in 1955

Nixon was overworked overanxious overmedicated and at the limits of his ability to function
