Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class Social Science and the Cults John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults Qualitative Methods in Military Studies Helena Carreiras, Celso

Castro, 2013 This book examines the methodology of qualitative research in military studies Since the end of the Cold War the number of studies on military and society has grown substantially in substance size and impact However only a tiny part of this bibliography deals in depth with the research methods used especially in relation to qualitative methods The data that form the basis of the researchers analyses are often presented as if they were immediately available rather than as a product of interaction between the researcher and those who participated in the research Comprising essays by international scholars the volume discusses the methodological questions raised by the use of qualitative research methodology in military settings On the one hand it focuses on the specificity of the military as a social context for research the authors single out and discuss the particular field effects produced by institutional arrangements norms and practices of the military On the other the authors proceed in an empirical manner all methodological questions are addressed with regard to concrete situations of field research This book will be of much interest to students of military studies research methods sociology anthropology war and conflict studies and security studies in general **Toward a New Enlightenment** Paul

Kurtz, 2018-04-17 Paul Kurtz has been the dominant voice of secular humanism over the past thirty years This compilation of his work reveals the scope of his thinking on the basic topics of our time and his many and varied contributions to the cause of free thought It focuses on the central issues that have concerned Kurtz throughout his career ethics politics education religion science and pseudoscience The chapters are linked by a common theme the need for a new enlightenment one committed to the use of rationality and skepticism but also devoted to realizing the highest values of humanist culture Many

writings included here were first published in magazines and journals long unavailable Some of the essays have never before been published They now appear as a coherent whole for the first time Also included is an extensive bibliography of Kurtz s writings Toward a New Enlightenment is essential for those who know and admire Paul Kurtz s work It will also be an important resource for students of philosophy political science ethics and religion Among the chapters are Humanist Ethics Eating the Forbidden Fruit Relevance of Science to Ethics Democracy without Theology Misuses of Civil Disobedience The Limits of Tolerance Skepticism about the Paranormal Legitimate and Illegitimate Militant Atheism vs Freedom of Conscience Promethean Love Unbound The Case for Euthanasia and The New Inquisition in the Schools **The ISA Handbook of**

Diverse Sociological Traditions Sujata Patel,2010 This latest edition to the ISA handbook series actively engages with the many traditions of sociology in the world Twenty nine chapters from prominent international contributors discuss challenge and re conceptualize the global discipline of sociology evaluating the diversities within and between sociological traditions of many regions and nation states They assess all aspects of the discipline ideas and theories scholars and scholarship practices and traditions ruptures and continuities through an international perspective Its goal is to become a text for debating the contours of international sociology Catalog of Copyright Entries. Quarterly Journal of Ideology ,1989 A critique of the conventional wisdom **The Sociology of Social Problems**

Adam Jamrozik,Luisa Nocella,1998-07-13 Social problems such as unemployment poverty and drug addiction are a fact of life in industrialised societies This book examines the sociology of social problems from interesting and challenging perspectives It analyses how social problems emerge and are defined as such who takes responsibility for them who is threatened by them and how they are managed solved or ignored The authors examine and critique existing theories of social problems before developing their own theoretical framework Their theory of residualist conversion of social problems explains how certain social problems threaten legitimate power structures so that problems of a social or political nature are transformed into personal problems and the helping professions are left to intervene This book will become a key reference on class inequality and social intervention and an important text for students in sociology and social work courses **The Publishers Weekly**

,1972 **Sociology and Its Publics** Terence C. Halliday,Morris Janowitz,1992-10-15 Sociology faces troubling developments as it enters its second century in the United States A loss of theoretical coherence and a sense of disciplinary fragmentation a decline in the quality of its recruits the cooptation of its clients a muted public voice and sinking prestige in governmental circles these are only a few of the trends signalling a need for renewed debate about how sociology is organized In this volume some of the most authoritative voices in the field confront these conditions offering a variety of perspectives as they challenge sociologists to self examination A London Bibliography of the Social Sciences ,1973 Vols 1 4 include material to June 1 1929 *International Labour Documentation* ,1972 Sociological Perspectives on

Globalisation Ajaya Kumar Sahoo, 2006 The work deals with an interesting collection of essays by specialists scholars on different aspects of sociological perspectives on globalization These essays thirteen in number discuss all relevant aspects of globalization at national and international level The book will be of immense academic value to sociologists social anthropologists politics cultural and ethnic studies and transnational studies An Exploratory Study of the Formal and Informal Relationships Between Black and White Students in a Large, Racially Mixed, Urban High School Richard Harvey Ayling, 1972 **Subject Guide to Books in Print** , 1983 Foundations of Socio-Environmental Research William R.
