Buddhism , **Globalistics and Globalization Studies: Aspects & Dimensions of Global Views** Arkadi D. Ursul,Endre Kiss,Alexander N. Chumakov,Olga G. Leonova,Tu Weiming,Peter G. Kirchsclaeger,Anthony Howell,Hae Kim,Jim Sheffield,2014-04-30 Nowadays globalization processes have become all embracing But at the same time despite the ever increasing flow of publications on globalization our understanding and knowledge of it still leaves much to be desired Especially it concerns the global processes in general of which globalization is a part We also need to systematize our ideas about globalization and Global Studies to somehow fit the realities In particular this concerns the education process because the current state of education will determine the way people will perceive reality in the forthcoming decades This yearbook aims at contributing to the solution of these important tasks It is the third in the series of yearbooks titled Globalistics and

Globalization Studies This year it has the following subtitle Aspects Dimensions of Global Views Its authors consider globalization and Global Studies in different dimensions and aspects philosophical methodological and pedagogical in terms of various processes problems and perspectives Of course to some extent this means that this yearbook presents rather diverse materials But globalization itself is very diverse And its comprehension may proceed in the framework of different theoretical approaches and points of view In the present yearbook one can find perceptions of globalization and Global Studies by a number of scholars from different countries of the world and learn rather peculiar visions of globalization by the Russian scientists and educators The yearbook will be interesting to a wide range of researchers teachers students and all those who pay attention to global issues

Student's Companion to the World Wide Web Jim Millhorn,1999 The World Wide Web is expanding at a rapid pace This progressive growth has inevitably created a proliferation of sites and information sources that are posted on this medium Jim Millhorn attempts to examine a small corner of this undergrowth in *Student s Companion to the World Wide Web* by focusing on outstanding academic and scholarly sites for students in the social sciences and humanities While the Web is an invaluable source of information students do not always know how to extract the information that they seek This guide can offer assistance This book expertly handles common reference sources search engines meta subject guides the humanities and social science disciplines which are arranged in an alphabetized sequence of chapters featuring each individual discipline An innovative and timely answer to the student s quest for information this book opens the broadest purview the Web offers on a specific discipline while simultaneously limiting the number of featured sites

New Media and Society Deana A. Rohlinger,2019-02-05 A sociological approach to understanding new media s impact on society We use cell phones computers and tablets to access the Internet read the news watch television chat with our friends make our appointments and post on social networking sites New media provide the backdrop for most of our encounters We swim in a technological world yet we rarely think about how new media potentially change the ways in which

we interact with one another or shape how we live our lives In *New Media and Society* Deana Rohlinger provides a sociological approach to understanding how new media shape our interactions our experiences and our institutions Using case studies and in class exercises Rohlinger explores how new media alter everything from our relationships with friends and family to our experiences in the workplace Each chapter takes up a different topic our sense of self and our relationships education religion law work and politics and assesses how new media alter our worlds as well as our expectations and experiences in institutional settings Instead of arguing that these changes are good or bad for American society the book uses sociological theory to challenge readers to think about the consequences of these changes which typically have both positive and negative aspects *New Media and Society* begins with a brief explanation of new media and social institutions highlighting how sociologists understand complex changing relationships After outlining the influence of new media on our identities and relationships it discusses the effects new media have on how we think about education practice our religions understand police surveillance conceptualize work and participate in politics Each chapter includes key sociological concepts engaging activities that illustrate the ideas covered in the chapter as well as links films and references to additional online material [Online Information ...](#) ,2000 [Handbook of Human Factors in Web Design](#) Kim-Phuong L.
