Sociology Of Health In New Zealand

Jon Adams

Sociology Of Health In New Zealand:

Sociologies of New Zealand Charles Crothers, 2018-04-13 This book provides the first comprehensive analysis of the various sociologies of New Zealand from the late 19th century to the present day Opening with previously undocumented insights into the history of proto sociology in New Zealand the book then explores the parallel stories of the discipline both as a mainstream subject in Sociology departments and as a more diffuse sociology within other university units The rise and fall of departments specialties and research networks is plotted and the ways in which external and internal factors have shaped these is explained Different generations of sociologists including many immigrants are each shown to have left their unique mark on New Zealand sociology The author demonstrates that the rising interest in topics specific to New Zealand has been accompanied by increasing capacities to contribute to world sociology This book will have inter disciplinary appeal across the social sciences and provides a valuable study of the development of sociology in a semi peripheral country Sociology of Health in New Zealand Kevin Dew, Allison Kirkman, 2002 This book firmly grounds sociological analysis of health in the New Zealand experience and takes in a wide range of contemporary themes in sociology of health and medicine The book is an easily readable textbook on the sociology of health The Palgrave Handbook of Social Theory in Health, Illness and Medicine F. Collyer, 2015-02-12 This wide reaching handbook offers a new perspective on the sociology of health illness and medicine by stressing the importance of social theory Examining a range of classic and contemporary female and male theorists from across the globe it explores various issues including chronic illness counselling and the rising problems of obesity Evidence-Based Healthcare in Context Jon Adams, 2016-12-05 With new methods of treatment standardisation resulting in various benefits for patient outcomes evidence based medicine and evidence based practice have emerged as defining features of western healthcare provision in recent years Most health professions are now adopting some form of evidence based framework for clinical training and practice However the rise of evidence based healthcare has drawn sustained criticism regarding the limits of trial based evidence the reductive character of epidemiological study designs and the potential for an erosion of the importance of lay perspectives and clinical judgement Evidence Based Healthcare in Context introduces readers to the social cultural and historical underpinnings of evidence in healthcare critically examining questions about what constitutes evidence and effectiveness from perspectives outside medicine including those of patients complementary medicine and midwifery It focuses on the application of contemporary theoretical debates around the nature of medical and health knowledge providing readers with a series of critical analyses of the production application and translation of evidence in a range of healthcare contexts Featuring cutting edge work from leading social scientists in the UK US Canada Norway Australia and New Zealand this volume draws on the latest empirical research to provide a thorough critical overview of this important field of health research **Social, Political and Cultural Dimensions of Health** Kevin Dew, Anne Scott, Allison Kirkman, 2016-05-09 This book comprehensively explores social political and cultural dimensions of

health in contemporary society It addresses many issues and pertinent questions including the following Are we over diagnosed and over medicated How can patients participate in their own care Do pharmaceutical companies coerce us into medication regimes What drives inequalities in health outcomes What is the experience of health care for indigenous communities Why do different countries have such different health care systems How do we respond to life changing conditions Can we achieve a good death How do new genetics shape our identities Is public health a force of liberation or disempowerment The book incorporates the range of levels of influence on health covering individual patient experiences the health professions multinational corporations the state global organisations as well as examining trends in social organisation cultural expression and technological developments It volume provides an accessible yet in depth overview and discussion of the sociology of health The chapters include an illustrative case study and further readings relating to the topic

Routledge International Handbook of Critical Issues in Health and Illness Kerry Chamberlain, Antonia Lyons, 2021-07-27 The Routledge International Handbook of Critical Issues in Health and Illness is a multidisciplinary reference book that brings together cutting edge health and illness topics from around the globe It offers a range of theoretical and critical perspectives to provide contemporary insights into complex health issues that can offer ways to address inequitable patterns of illness and ill health This collection written by an international pool of expert academics from a range of disciplinary backgrounds is unique in providing theoretical and critical analyses on key health topics considering power and broader social structures that influence health and illness outcomes The chapters are organised in three parts The first covers medical contexts here chapters provide commentary and critical analysis of the history of medicine medicalisation pharmaceuticalisation services and care medical technology diagnosis screening personalised medicine and complementary and alternative medicine The second part covers life contexts chapters include a range of life contexts that have implications for health including gender sexuality reproduction disability ethnicity indigeneity inequality ageing and dying The third part covers shifting contextual domains chapters consider contemporary areas of life that are rapidly changing including bioethics digital health migration medical travel geography and place commercialisation globalisation and climate change The Routledge International Handbook of Critical Issues in Health and Illness is a key contemporary reference text for scholars students researchers and professionals across disciplines including sociology psychology anthropology geography medicine public health and health science

Ethics, Moral Life and the Body Rhonda M. Shaw, 2016-04-29 Shaw addresses the ethical turn in contemporary sociological thinking by exploring the contribution of sociology and the social sciences to bioethical debates about morality and tissue exchange practices

The Politics of Knowledge in Education Elizabeth Rata, 2012 This book explores the decline of the teaching of epistemic conceptual knowledge in schools its replacement with everyday social knowledge and its relation to changes in the division of labor within the global economy It argues that the emphasis on social knowledge in postmodern and social constructionist pedagogy compounds the problem and examines the consequences of these changes for educational opportunity and democracy itself

The Sanitarian Agrippa Nelson Bell, 1896

Bodies at Risk Elizabeth E. Wheatley, 2006-01-01 In Bodies at Risk Elizabeth Wheatley provides a fascinating ethnography of heart disease As heart disease is one of the major causes of death in the western world this book is both timely and important It is inspired by and contributes to sociological writing on the body risk experiences of illness and medicalization and will appeal to academics and students in these areas as well as in cultural studies health related consumption health promotion and qualitative health research

Biopolitics and the 'Obesity Epidemic' Jan Wright, Valerie Harwood, 2012-03-22 Biopolitics and the Obesity Epidemic is the first edited collection of critical perspectives on the obesity epidemic The volume provides a comprehensive discussion of current issues in the critical analysis of health obesity and society and the impact of obesity discourses on different individuals social groups and institutions Contributors from the UK Canada New Zealand and Australia provide original accessible and engaging chapters on issues such as the effects on individuals families youths and schools The timely contributions offered by Biopolitics and the Obesity Epidemic to this highly topical area will be of interest to a wide range of readers including teachers education professionals community health and allied professionals and academics in areas such as education health youth studies social work and psychology

Cultures of Intoxication Fiona Hutton, 2020-01-25 This book considers the global discourses and debates about intoxication engaging in critical academic discussion around this concept The problems in defining intoxication are considered alongside the meanings of intoxication and how these meanings often differ across diverse drug using populations The way that intoxication has been engaged with over the centuries has affected how particular groups are perceived and responded to resulting in punitive responses such as drug prohibition alongside harsh treatment of those who are seen to transgress societal norms and values Therefore this collection seeks to unsettle dominant discourses about intoxication and to consider this concept in new critical ways Ways of being intoxicated are also defined in this book in their broadest sense from energy drinks and other legal drugs to recreational use of illicit drugs such

as ecstasy to problematic drug use The Sanitarian ,1896 **Prostitution Research in Context** Marlene Spanger,May-Len Skilbrei,2017-03-16 The starting point for this book is the question of how we research sex for sale and the implications of the choices we make in terms of epistemology and ethics Which dilemmas and ethical aspects need to be taken into account when producing qualitative data within a highly politicised and moral infected realm These two questions are exactly what Spanger and Skilbrei aim to unpack in this unusual interdisciplinary methodology book Prostitution Research in Context The book offers contributions from a number of scholars who based on their reflections on their own research practice and the existing knowledge field discuss ongoing methodological issues and challenges representative of international research on sex for sale Some chapters deal explicitly with methodological dilemmas in research others thematise the encounter between prostitution research and general texts on epistemology Other chapters again actively engage with the ethical dilemmas that research on the topic of sex for sale can entail The authors represent different disciplines but share an interest in engaging in reflexive research practices informed by feminism and feminist epistemologies An authoritative contribution to the field this innovative volume will appeal to international scholars and students from across the social sciences and humanities in areas such as sociology anthropology criminology media studies feminist studies human geography and history **Sustainability, Midwifery and Birth** Lorna Davies,Rea Daellenbach,Mary Kensington,2020-07-29 This new edition outlines how sustainability can be incorporated into midwifery practice education and research It has been thoroughly revised to include new models of sustainable midwifery practice and new chapters on rural midwives and rural communities social justice and compassion Environmental awareness and sustainability are vitally important concepts and as a low environmental impact healthcare profession midwifery has the potential to stand as a model of excellence This international collection of experts explores the challenges inviting readers to critically reflect on the issues and consider how they could move to effect changes within their own working environments Divided into three parts the book discusses The politics of midwifery and sustainability Midwifery as a sustainable healthcare practice Supporting an ecological approach to parenting Sustainability Midwifery and Birth is a vital read for all midwives and midwifery students interested in sustainable practice *The Commercialisation of New Zealand* B. H. Easton,2013-11-01 This text examines the origins theory history and politics of the dramatic change in economic policy in New Zealand from Robert Muldoon s interventionism to Roger Douglas s commercialization It is illustrated with case studies including broadcasting cultural policy education environment and heritage the system of government health the labor market and science **Community Health and Wellness** Anne McMurray,Jill Clendon,2010 A socio ecological approach to community health and the promotion of health care across the lifespan with an increased emphasis on health literacy intervention and health promotion **Sport, Alcohol and Social Inquiry** Sarah Gee,2020-08-06 This volume is a collection of works from both expert and emerging scholars with an empirical focus on case studies and real world examples in the

sociological study of sport and alcohol that would appeal to a global audience Implications drawn from the chapters in the book will offer new insights and critiques on the sport alcohol nexus *Issues in Medicine, Psychology, Religion, and Society: 2013 Edition* ,2013-05-01 Issues in Medicine Psychology Religion and Society 2013 Edition is a ScholarlyEditions book that delivers timely authoritative and comprehensive information about Religion and Health The editors have built Issues in Medicine Psychology Religion and Society 2013 Edition on the vast information databases of ScholarlyNews You can expect the information about Religion and Health in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Issues in Medicine Psychology Religion and Society 2013 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com>
