NB: Keep this booklet in your folder as it will prove useful throughout the whole course!

Key terms:

A **sociological perspective** involves a set of theories which influences what is looked at when studying society. The main sociological perspectives include: Functionalism, Marxism, Feminism, New Right, Postmodernism, Social action (Interpretivist theories) and Realist.

Consensus theories assume that society is primarily harmonious, and social order is maintained through widespread agreement (consensus) between people on important goals, values and norms of society. Consensus theory is primarily associated with functionalist theory.

Conflict theories are perspectives in sociology that emphasize
