Histories **Diary of 66** Alexandra Furnea, 2024-10-15 Diary of 66 is one woman's triumph over tragedy and also a warning about the often deadly consequences of corruption in all of its shapes and forms. A young Romanian rock music journalist leaves home on the night of October 30, 2015, to go to a Goodbye to Gravity concert. She wants to write a review about the gig to help promote the band, which is considered Romania's rising star on the local metal scene. Rock music has a troubling history of repression in the ex-communist country, and she wants to bring her contribution to dismantling the prejudice that surrounds it. She never gets to write the piece, and the band doesn't finish the show either. A violent fire erupts in the Colectiv Club during the concert, trapping the audience inside. Over 180 people are severely injured, and in the days and months following the fire, 65 people lose their lives. Alexandra could have been number 66, but she survives against all odds. Diary of 66 is her memoir about the night of the fire and everything that came after it: her fight against death in the catastrophically ill-equipped hospitals in Romania that lied about their incompetence and about the presence of dangerous multidrug-resistant germs to protect the corrupted Government; her struggle to get appropriate care after she's discharged with open wounds and abandoned by the medical system; her journey towards recovery and her life as a survivor of a national tragedy that made international headlines.

Un-Cried Tears Donald D. Grasham, 2012-08 The unblemished love that started between a boy of 5 and a girl at 4 years of age. Through the trials of life, they experience as they mature, their love remains strong. Seen from the memory of the man as he recounts the experiences they face in a world they care little for. To Dolores, Don was her world, and to Don, Dolores was his world. They place no value on worldly wants above the love they share. There was no 50/50 with them; it was 100/100.
