Soldier In The Rain:

Filming Soldier in the Rain Chris Noel,2013-05-26 A fascinating behind the scenes look at the filming of the movie SOLDIER IN THE RAIN starring Jackie Gleason Steve McQueen Tuesday Weld Tony Bill and author CHRIS NOEL [Soldier in the Rain](#) William Goldman,1963 **Steve McQueen** Wes D. Gehring,2013-04-20 The poster child victim of a dysfunctional family from Beech Grove Indiana Steve McQueen experienced an unsettled early life with a rebellious and alcoholic mother McQueen channeled his difficult childhood into a masterful career on screen portraying tough self sufficient characters in such iconic films as *The Magnificent Seven* 1960 *The Great Escape* 1963 *The Sand Pebbles* 1966 *Bullitt* 1968 Gehring explores how McQueen rose from his days as a troubled youth into one of Hollywood's top box office stars and how he attempted to ease the lives of other troubled youth Gehring delves into McQueen's early success his rocky relationships with women his sense of humor his love of fast cars and motorcycles and his often neglected acting [Diary of a Soldier in the Philippines](#) John Clifford Brown,1901 [The Confederate Soldier in the Civil War, 1861-1865](#) Ben La Bree,1897 *The Best American Essays 2018* Hilton Als,2023-11-21 The Pulitzer Prize winning and Guggenheim honored Hilton Als curates the best essays from hundreds of magazines journals and websites bringing the fierce style of street reading and the formal tradition of critical inquiry reads culture race and gender New York Times to the task The essay like love like life is indefinable but you know an essay when you see it and you know a great one when you feel it because it is concentrated life writes Hilton Als in his introduction Expertly guided by Als's instinct and intellect *The Best American Essays 2018* showcases great essays as well as irresistibly eclectic ones Go undercover in North Korea delve into the question of race in the novels of William Faulkner hang out in the 1970s New York music scene and take a family road trip cum art pilgrimage These experiences and more immersive slices of concentrated life await *The Union Soldier in Battle* Earl J. Hess,1997-04-02 I saw enough to sicken the heart The scenes which I witnessed were enough to overthrow all imaginations concerning the glory of war but dreadful as they were I hope and believe that I would be willing to suffer the worst rather than prove a traitor to the trust which our country reposes in all her sons J Spangler Kieffer Pennsylvania Militia With its relentless bloodshed devastating firepower and large scale battles often fought on impossible terrain the Civil War was a terrifying experience for a volunteer army Yet as Earl Hess shows Union soldiers found the wherewithal to endure such terrors for four long years and emerge victorious A vivid reminder that the business of war is killing Hess's study plunges us into the hellish realms of Civil War combat a horrific experience crowded with brutalizing sights sounds smells and textures We share the terror of being shot at for the first time and hear the grating sound a minie ball makes when it hits a bone instead of the heavy thud when it strikes flesh We are assaulted by choruses of groans from the wounded and dying and come to understand why some soldiers returned to battle with great dread Drawing extensively upon the letters diaries and memoirs of Northern soldiers Hess reveals their deepest fears and shocks and also their sources of inner strength By identifying

recurrent themes found in these accounts Hess constructs a multilayered view of the many ways in which these men coped with the challenges of battle He shows how they were bolstered by belief in God and country or simply by their sense of duty how they came to rely on the support of their comrades and how they learned to muster self control in order to persevere from one battle to the next Although our ability to appreciate war as it was conducted in the previous century has been clouded by our familiarity with modern conflicts Hess s study conveys that reality with an immediacy rarely matched by other books Even more it urges us to reconsider these soldiers not as victims of the battlefield but rather as victors over the worst that war can inflict

Child Soldiers in the Western Imagination David M Rosen,2015-10-12 When we hear the term child soldiers most Americans imagine innocent victims roped into bloody conflicts in distant war torn lands like Sudan and Sierra Leone Yet our own history is filled with examples of children involved in warfare from adolescent prisoner of war Andrew Jackson to Civil War drummer boys who were once viewed as symbols of national pride rather than signs of human degradation In this daring new study anthropologist David M Rosen investigates why our cultural perception of the child soldier has changed so radically over the past two centuries *Child Soldiers in the Western Imagination* reveals how Western conceptions of childhood as a uniquely vulnerable and innocent state are a relatively recent invention Furthermore Rosen offers an illuminating history of how human rights organizations drew upon these sentiments to create the very term child soldier which they presented as the embodiment of war s human cost Filled with shocking historical accounts and facts and revealing the reasons why one cannot spell infantry without infant *Child Soldiers in the Western Imagination* seeks to shake us out of our pervasive historical amnesia It challenges us to stop looking at child soldiers through a biased set of idealized assumptions about childhood so that we can better address the realities of adolescents and pre adolescents in combat Presenting informative facts while examining fictional representations of the child soldier in popular culture this book is both eye opening and thought provoking
