Soldier Talk:

Soldier Talk Paul Vincent Budra, Michael Zeitlin, 2004 Soldier Talk is a collection of essays about the Vietnam combat veteran and his representation of his experience The Vietnam War created a vast archive of recorded accounts of the war permitting an unprecedented opportunity to confront its brutal secrets This book is about how to read and how to hear the historical psychological and narrative truths of soldiers talk The ten chapters explore the phenomenon of soldier talk the oral narrative form of so much of the Vietnam War literature the collection of veteran interviews published under the title Nam Vietnam War poetry the strange tale of Bobby Garwood the private who disappeared 10 days before he was to return home and surfaced 13 years later in Hanoi Vietnam oral history and revolutionary socialism the historiography of the Vietnam War queering Vietnam the African American experience of Vietnam and women and the war Along the way the authors touch on most of the best known and most important writing to come out of the war Army Talk , **Mastering Soldiers** Eyal Ben-Ari, 2001-01-01 Studies of the military that deal with the actual experience of troops in the field are still rare in the social sciences In fact this ethnographic study of an elite unit in the Israeli Defense Force is the only one of its kind As an officer of this unit and a professional anthropologist the author was ideally positioned for his role as participant observer During the eight years he spent with his unit he focused primarily on such notions as conflict the enemy and soldiering because they are he argues the key points of reference for what we are and what we are trying to do and form the basis for interpreting the environment within which armies operate Relying on the latest anthropological approaches to cognitive models and the social constructions of emotion and masculinity the author offers an in depth analysis of the dynamics that drive the men s attitudes and behavior and a rare and fascinating insight into the reality of military life **Court-Martial of Jackie Robinson** Michael Lee Lanning, 2020-02-21 Eleven years before Rosa Parks resisted going to the back of the bus a young black second lieutenant hungry to fight Nazis in Europe refused to move to the back of a U S Army bus in Texas and found himself court martialed The defiant soldier was Jack Roosevelt Robinson already in 1944 a celebrated athlete in track and football and in a few years the man who would break Major League Baseball s color barrier This was the pivotal moment in Jackie Robinson s pre MLB career Had he been found guilty he would not have been the man who broke baseball s color barrier Had the incident never happened he would ve gone overseas with the Black Panther tank battalion and who knows what after that Having survived this crucible of unjust prosecution as an American soldier Robinson already a talented multisport athlete became the ideal player to integrate baseball This is a dramatic story deeply engaging and enraging It s a Jackie Robinson story and a baseball story but it is also an army story as well as an American story **War Slang** Paul Dickson, 2014-08-01 From the homegrown boodles of the 19th century to current misunderstandings in the Middle East America s foremost expert on slang reveals military lingo at its most colorful innovative brutal and ironic Author Paul Dickson introduces some of the new words and phrases born of conflict boredom good humor bad food new technology and the pure horror of war This newly

updated reference extends to the post 9 11 world and the American military presence in Iraq and Afghanistan Recommended by William Safire in his On Language column of The New York Times it features dictionary style entries arranged chronologically by conflict with helpful introductions to each section and an index for convenient reference Paul Dickson is a national treasure who deserves a wide audience declared Library Journal The author of more than 50 books Dickson has written extensively on language This expanded edition of War Slang features new material by journalist Ben Lando Iraq Bureau Chief for Iraq Oil Report and a regular contributor to The Wall Street Journal and Time It serves language lovers and military historians alike by adding an eloquent new dimension to our understanding of war Department of the Army Pamphlet ,1974

We Meant Well Peter Van Buren,2011-09-27 One diplomat s darkly humorous and ultimately scathing assault on just about everything the military and State Department have done or tried to do since the invasion of Iraq The title says it all The New York Times A work of scathing gallows humor The Boston Globe We Meant Well is a tragicomic voyage of ineptitude and corruption that leaves its writer and readers appalled and disillusioned but wiser Charged with rebuilding Iraq would you spend taxpayer money on a sports mural in Baghdad s most dangerous neighborhood to promote reconciliation through art How about an isolated milk factory that cannot get its milk to market Or a pastry class training women to open caf s on bombed out streets that lack water and electricity As Peter Van Buren shows we bought all these projects and more in the most expensive hearts and minds campaign since the Marshall Plan We Meant Well is his eyewitness account of the civilian side of the surge that surreal and bollixed attempt to defeat terrorism and win over Iraqis by reconstructing the world we had just destroyed Leading a State Department Provincial Reconstruction Team on its quixotic mission Van Buren details

Equality Or Discrimination? Natalie Kimbrough, 2007 Equality or Discrimination strives to close the gap in existing literature and address the often neglected field of research on the discrimination of African Americans in the U S Armed Forces during the Vietnam War Despite the awakened interest of academics authors artists and experts from a multitude of fields and the vast selection of literature on the Vietnam War and its veterans African Americans have received little attention until now Based on initial findings Dr Kimbrough analyzes key issues including whether or not African Americans experienced racial discrimination while serving The study also focuses on whether the Vietnam War was indeed the first fully integrated conflict in which the U S attempted to engage in militarily without racial division The findings contradict the traditional image of equality in the U S Armed Forces and provide the basis for the dissertation Proving that soldiers in the Vietnam War were NOT treated equally Dr Kimbrough argues that African Americans experienced various forms of discrimination during a tumultuous time in U S history in which the opposite treatment of its soldiers was required
