Stained Glass Rain Bruce Boston,1993-01-01 **Stained Glass Rain** Bruce Boston,1994 **Science Fiction, Canonization, Marginalization, and the Academy** Gary Westfahl,George Slusser,2002-01-30 Science fiction occupies a peculiar place in the academic study of literature For decades scholars have looked at science fiction with disdain and have criticized it for being inferior to other types of literature But despite the sentiments of these traditionalists many works of science fiction engage recognized canonical texts such as the Odyssey and many traditionally canonical works contain elements of science fiction More recently the canon has been subject to revision as scholars have deliberately sought to include works that reflect diversity and have participated in the serious study of popular culture But these attempts to create a more inclusive canon have nonetheless continued to marginalize science fiction This book examines the treatment of science fiction within the academy The expert contributors to this volume explore a wide range of topics related to the place of science fiction in literary studies These include academic attitudes toward science fiction the role of journals and cultural gatekeepers in canon formation and the marginalization of specific works and authors by literary critics In addition the volume gives special attention to multicultural and feminist concerns In discussing these topics the book sheds considerable light on much broader issues related to the politics of literary studies and academic inquiry The Angel of Absolute Zero Marjorie Stelmach,2022-04-29 Marjorie Stelmach s new collection The Angel of Absolute Zero seeks to engage its readers in thoughtful reflection on our difficult times The opening section of the book entitled Canticle of Want introduces the collection s governing characteristic these poems want a lot They ask us to view our damaged planet and acknowledge our complicity to question how it is we have come to this and take heart in our wish to be more worthy to accept suffering and loss and yet feel gratitude expect joy In short these poems aspire to teach us to number our days that we may gain a heart of wisdom
