Guitarskole **Musician's Survival Guide to a Killer Record** Mixerman, 2018-10-10

Musician s Record It takes many years to excel at recording whether at home or in a commercial facility and if you desire to become a professional recordist then that s what s required But if you re a musician who wants to garner a reaction to your song then you don t have time for that You need to make a Killer Record right now But how First stop thinking like a recordist If you re a musician and you record this book will prove an invaluable resource I encourage you to read the reviews People love this book I explain all the things that I ve learned as a high level professional recordist mixer and producer over the course of decades but as they relate to you as a musician your songs and the long view of your recording career The Goal The stated goal of this book is to convert recording decisions into musical ones and technical decisions into practical ones Not only do I explain the musical strategies for making a Killer Record I also break the technical information down to its core so that you can strategize based on your recording reality So long as you have what you need to make a record I can help you make it a Killer Record This is the only additional gear you ll require to greatly improve the quality of your records Who am I I m Mixerman a gold and multi platinum award winning producer mixer and recordist I was in precisely your position at the early stages of my career I was a musician frustrated that I could write a good song only to feel the record itself fell short of it s potential Over the course of my decades recording I noticed that the performance and arrangement had a far greater impact on the sound than anything I did on the engineering side The more musical my decisions the better my results What You Can Expect This Studio Field Manual is chock full of recording mixing and producing strategies designed to keep recording a fun and focused process You will return to this manual time and time again to help you overcome any impediment technical or musical that might prevent

you from achieving the results you seek regardless of your recording environment regardless of what equipment you're using and regardless of your current skillset You can make a Killer Record under nearly any circumstance It just requires the right mindset **Official Gazette of the United States Patent and Trademark Office**, 2003 *Chet Atkins* Red
