victory when the day's events take an unexpected and tragic turn In *The Birthday Lunch* Joan Clark explores the different ways each member of Lily's family confronts her shocking death Hal's open sorrow her daughter Claudia's reappraisal of her own life her son Matt's determination to assign blame And unforgettably Laverne's eccentricity and isolation her intensifying conflict with Hal illuminates the brutal territory of accusation and regret Compassionate and engrossing with a powerful sense of place *The Birthday Lunch* is an extraordinary new novel from one of our most gifted storytellers *Fortune and Glory: A Treasure Hunter's Handbook* David McIntee, 2016-01-20 So you have decided to give up the rat race for the life of an international treasure hunter but you are not quite sure where to start Well then this book is for you *Fortune and Glory* tells you all you need to know in order to set off on an epic quest for the great lost treasures of history Starting with a quick exploration of the history of treasure hunting and a look at the gear that you will need it then delves into a survey of the lost treasures that are out there just waiting to be claimed Continent by continent the book covers the legends of hidden locations like El Dorado and King Solomon's Mines as well as covering the most illustrious lost artifacts such as the Holy Grail the Hanjo Masamune and the Irish Crown Jewels If your interest lies with the loot rather than the history the book also discusses Nazi gold pirate treasure and the treasure hordes of the Copper Scrolls This book is your first step towards becoming the pistol toting fedora wearing international tomb robber and treasure hunter you've always dreamt of being *Oak Island and the Search for Buried Treasure* Joann Hamilton-Barry, 2025-09-19 Are Shakespeare's lost manuscripts buried deep in the notorious Money Pit Do booby traps conceal the Holy Grail of the Knights Templar or Blackbeard's pirate loot The mystery of Oak Island's rumoured treasure has stumped explorers and researchers for over two hundred years In this fascinating nonfiction account librarian Joann Hamilton Barry introduces young readers to the treasures rumoured to be hidden on Nova Scotia's famous question mark shaped island and the curious adventurers who sought it out With over 50 maps photographs and artefacts highlighted by educational sidebars this accessible entertaining book takes readers from the island's first treasure hunters to present day adventurers and shares tales of pirate gold mysterious messages and the famous Oak Island curse **Road to Bliss** Joan Clark, 2009-09-22 Set against the vividly described Prairies in the heart of a cloistered religious sect this is a gripping novel from a beloved Canadian author Fifteen year old Jim Hobbs alienated from life in Toronto hitchhikes to the Prairies on a whim where he finds shelter in an abandoned farmhouse There he encounters his neighbours members of Majestic Farm a group that abides by an old fashioned ultra conservative set of rules enforced by their ruthless pastor When Miriam one of the pastor's daughters secretly befriends Jim they must hide their blossoming love for one another or face terrifying consequences In helping Miriam to escape her religious imprisonment on the farm Jim must risk everything Alternating Narratives in Fiction for Young Readers Perry Nodelman, 2017-04-17 This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters It asks if you make sense of fiction by identifying with one main character how do you handle two or

more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults

The Literary History of Alberta Volume Two George Melnyk, 1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One From Writing on Stone to World War Two* George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone *The Literary History of Alberta Volume Two* extends the study of Alberta's cultural history to the present day It is a vital text for anyone interested in Alberta's vibrant literary culture

Notable Canadian Children's Books, 1984 Once Upon a Time Sheila Egoff, 2005-09-01 In *Once Upon a Time My Life with Children's Books* Sheila Egoff tells the story of her working life from her early voracious reading through all her significant contributions to libraries in Canada and to our national understanding of our own literature for children She brings both a critical eye and a personal touch to this book which reads as a memoir and as an account of important developments in Canadian writing and librarianship In this time of cuts to budgets for books and for librarians there is much here to reflect upon

Home Words Mavis Reimer, 2009-08-01 The essays in *Home Words* explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children's literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children's and national literatures *Home Words* reconfigures the field of Canadian children's literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children's literature

Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's

librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children s books and a basic book list for librarians teachers and parents are included in this charmingly illustrated volume Who's who in Canadian Literature ,1997
