Bible Understanding Made Easy Anthony L.

Norwood, 2008-07-30 Bible Understanding Made Easy is a series of books used to inspire and teach the Word of God to sincere souls that are trying to draw closer to God. This volume is dedicated to building understanding of the Old Testament portion of the Holy Bible. Many of the world's prominent religions are based on the teachings of the Old Testament including Judaism, Christianity, and Islam. In fact, Christian students of the Bible will have a hard time understanding the teachings of Jesus and His apostles without a firm foundational understanding of the Old Testament. The method of teaching used in this book was purposely kept as simple as possible so that beginning students of the Bible can be inspired and build a rich foundation of understanding the Bible that will last a lifetime. The main themes of each chapter and many times entire books of the Bible are presented to help one understand particular verses that may confuse sincere students of the Bible. Lastly, as an added bonus, there are many life application style mini lessons that Christians of today can use to help build faith, encourage, and inspire sincere folks to maintain a personal relationship with Jesus Christ. For ordering within the United States of America and outside of the United States of America, please call toll free in the U.S. 1-888-795-4274 or Email XLibris at orders@xlibris.com. The easiest way would be to add the book to your shopping cart above and order online as another alternative. Normally, you may pay using your nation's own currency, i.e. the U.S. dollar, the British pound, Euro, etc. Please call or Email XLibris Corporation for currency exchange rates. Our daily experiences are our catalyst to share the love of God through Christ Jesus. You have heard it said that you are what you eat. To that end, P2T is an all-you-can-eat spiritual buffet. Bon appétit. **God and the New Atheism** John F. Haught, 2008-02-15 In *God and the New Atheism*, a world expert on science and theology gives clear, concise, and compelling answers to the charges against religion laid out in recent best-selling books by Richard Dawkins, The God Delusion; Sam Harris, The End of Faith; and Christopher Hitchens, God Is Not Great. For some, these new atheists appear to say extremely well what they believe to be wrong with religion. But as John Haught shows, the treatment of religion in these books is riddled with logical inconsistencies, shallow misconceptions, and crude generalizations. Can God really be dismissed as a mere delusion? Is faith really the enemy of reason? And does religion really poison everything? *God and the New Atheism* offers a much-needed antidote to the extremist claims of scientific fundamentalism. This provocative and accessible little book will enable readers to see through the rhetorical fog of this recent phenomenon and come to a clearer understanding of the issues at stake in this crucial debate. **A John Haught Reader** John F. Haught, 2018-11-06 Classical Christian theologies came to expression at a time when the universe seemed relatively

fixed and unchanging The otherworldly spiritual instincts of many religions reflected a static vertical and hierarchical understanding of the natural world Today however especially because of developments in the sciences it appears that the universe is still coming into being The writings offered in this book reflect their author s belief that if the universe is unfinished new thoughts about God and all the traditional theological topics are essential to make sense of it all John Haught argues that the universe is best understood according to the metaphor of drama rather than design This means that the most important question in science and theology today is not whether the intricate complexity of life points to a deity or even how God acts in nature but whether the cosmic drama as a whole carries a meaning Unfortunately the devotional life of most religious people on our planet still presupposes an essentially immobile universe Christian instruction for example continues to nurture an otherworldly piety that estranges nature unnecessarily from God The readings in this book however suggest that the ancient Abrahamic hope for the coming of God from out of the future may now become the foundation of a scientifically up to date theology of nature that affirms divine transcendence without robbing nature of its significance

Athenagoras David Rankin,2016-04-08 Athenagoras of Athens was a Christian thinker of the second century who engaged with contemporary philosophical thought in the matters of the divine and the relationship of that divine to the material world While clearly a Christian apologist Athenagoras presents doctrines of God of the Holy Trinity and of other theological matters which clearly evidence an engagement with Greek philosophical thought which goes beyond the merely linguistic and embraces the notion of God as true being Athenagoras is a Church Father who has not been given great attention in twentieth century and early twenty first century scholarship This book explores Athenagoras undeniable place in the development of Christian thought on the divine on the Trinity on the human person and on the resurrection His work provides an important link between the mid second century and the work of Justin and that of the third century Christian theologians of the East Bulletin of the Atomic Scientists ,1979-03 *Crumbs from the Master's Table* G. M.

Spotts,2011-06-07 The life of a Christian is often a balancing act It is a constant battle between the flesh and the spirit Pastor Spotts has provided the reader with more than a series of meditations The 60 daily readings encompassed in this book are instead teachings from a pastor to his flock on how to live a balanced and healthy life in the Lord These Crumbs from the Master s Table are just that tiny pieces of the Word of the Lord that bring healing to the hungry soul **DECODING GOD**

PUZZLE Andy,2016-09-17 IN HIS OWN WORDS Mysteries haunting mankind intrigue me the most and I like writing about them DECODING GOD as the name suggests the book is about explaining the mysterious god phenomenon that prevails in our society I ve taken a simple direct approach to explaining the god phenomenon by taking help from research work done by others This book is written in such a way that everyone can understand it irrespective of his or her background in the subject The book has been made concise so that it remains interesting to read Furthermore this book does not deal with the denial or acceptance of the existence of god but rather with the extent of god s influence It is this phenomenon that I question ANDY

Spirituality without God Peter Heehs, 2018-11-01 Spirituality without God is the first global survey of godless spirituality Long before spiritual but not religious became the catchphrase of the day there were religious and spiritual traditions in India China and the West that denied the existence of God Peter Heehs begins by looking at godless traditions in the ancient world Indian religions such as Jainism and Buddhism showed the way to liberation through individual effort In China Confucians and Daoists taught how to live in harmony with nature and society Philosophies of the Greco Roman world such as Epicureanism Stoicism and Skepticism focused on enhancing the quality of life rather than buying the favor of the gods through sacrifice or worship Heehs shows how these traditions rediscovered during the Renaissance helped jump start the European Enlightenment and opened the way to the atheism and agnosticism of the eighteenth and nineteenth centuries The personal inner approach to religion became known as spirituality Spirituality without God is a counterbalance to theistic narratives that have dominated the field as well as an introduction to modes of spiritual thought and practice that may appeal to people who have no interest in God

Open Mike Michael Eric Dyson, 2008-08-04 Here collected for the first time are interviews and essays representing Michael Eric Dyson's most important thinking on race and identity Exploring such topics as whiteness as seen through a black man's eye modernism and postmodernism in black culture and the emancipating role of black music from the plantation to the ghetto Open Mike is a perfect introduction to Dyson's work and a must have for students and scholars in African American Studies and Cultural Studies

God Doesn't Care What You Wear™ Beverly Lutz, 2015-03-03 God Doesn't Care What You Wear™ is a reflection on beliefs love conflict forgiveness and the Divine Beverly Lutz offers a glimpse into a life that has taken her from single mother to an adventure seeker in the Amazon rainforest to teaching personal growth and energy medicine worldwide With admirable courage and honesty Lutz breaks down events in her life to investigate the heart of past loves and conflicts This book is a warm invitation into self exploration and offers a different lens through which to view life events Lutz examines beliefs surrounding our experiences and demonstrates how life magically and authentically unfolds in spite of us

The Hardcore Truth Jacqueline Hawkins, 2005-10 There are so many people walking around hurt with so many unresolved issues Lacking the knowledge wisdom and understanding to get the victories needed when life problems presents itself Yet worse than being faced with a problem is not knowing how to deal with the problem you're confronted with And so for many of us the logical recourse is to turn to some medium to help relieve escape or medicate the problem at hand With mediums such as alcohol drugs illicit sexual affairs overeating physical abuse etc Unaware though that the answer to all of life's problems is just book and a prayer away The book I'm referring to is The Holy Bible In it is the answer to every life problem imaginable For you see after more than 25 years of study in this marvelous book I have seen the excellent results from its application coupled with the miraculous works God has done So let me tell you God has laid out every possible answer imaginable in it It is to this end that I write this book To hopefully inspire you to gain some much needed insights into that Great God and Savior who is a Wonderful Counselor

The Insanity of Unbelief Max Davis, 2012-10-16 How Science and the Supernatural Changed My Life One day one of my professors asked me if it was true that I was a Bible believing Christian When I answered yes his polite upbeat attitude instantly turned rude and arrogant In front of my peers he insulted my intelligence belittled my faith and discredited the Bible To him there was absolutely no doubt that science and academia had shown the pure insanity of such belief writes author Max Davis Written from his journalistic point of view The Insanity of Unbelief is a result of the author s 30 year walk from childlike belief to skepticism and finally deep secure faith The contents are based on his expert and thorough research of solid facts versus what many atheists agnostics and even some believers tout Different from other apologetic books is the addition of true documented supernatural experiences and miracles making a compelling and exciting argument for the reality and power of God

God's Brains Doug Clelland, 2016-06-07 While the stories that make up God s Brains suggest that the skies of the future will certainly not be pure blue through their ironic edge and secular bite they suggest that there are always new energies to be found from the setbacks and the sinking Titanics of our lives

God the Father Almighty Millard J. Erickson, 1998-03-01 In God the Father Almighty Erickson develops a sturdy exposition of the doctrine of God He interacts with criticism brought against the traditional view of God and offers a fresh analysis of the attributes of God in light of Scripture and the contemporary scene God the Father Almighty is a companion volume to Erickson s other theological monographs God in Three Persons and The Word Became Flesh

Securing America's Victory G.S. Wisner, 2020-12-20 The solution to all of today s crises is remarkably simple For those who wish to connect to the spiritual component of what is happening in America and the world today Securing America s Victory reveals the two secrets to sustainable Justice and the Highest Common Denominator we all share It will unify all people and enable us to transcend toxic diversity Together we will replace the hatred division violence and madness with clarity love respect inclusion and sustainable justice The only true antidote the only effective and sustainable solution to our national and global crisis is the full intervention of I AM WHO I AM Our Father God wielding the fullness of His Love Wisdom and Power The only key to this manifestation is our loving true obedience to His Law of Love as taught and demonstrated by Jesus the Christ Herein lies the true foundation of one nation under God indivisible with liberty and justice for all
