The Harvest Of Justice The Church Of El Salvador Ten Years After Romero:

Remembering Oscar Romero and the Martyrs of El Salvador John Thiede, 2017-05-25 With the Beatification of Monse or Oscar Romero our current Pope Francis has asked theologians to consider how we might allow for an expanded definition for martyrdom in the 21st century Remembering Oscar Romero and the Martyrs of El Salvador responds to that challenge How do we name Oscar Romero Rutilio Grande the U S churchwomen and the Jesuits and two laywomen killed at the UCA as martyrs Is it a new category with a new definition Or is it simply an amplification of what we have long considered Christian witness While there is a long history of martyrdom in Latin America this book elaborates on four case studies for martyrdom focusing on the reality in El Salvador Rutilio Grande S J killed in 1977 Archbishop Oscar Romero killed in 1980 the U S churchwomen killed in 1980 and the six members of the UCA Jesuit community and their two female collaborators killed in 1989 Insights from the work of Jon Sobrino illuminate these case studies First his Christological insights from Jesus the Liberator and Christ the Liberator are used to analyze the reality of martyrdom particularly in reference to the terms martyr crucified people and martyred people Second his more recent articles challenge a strict interpretation of the traditional definition of martyrdom especially focusing on his terms Jesuanic martyr a martyr for justice and even a more polemic suggestion of an anonymous Christian martyr Finally the book concludes by combining Sobrino s insights and the reality of martyrdom today updated with the recent scholarship in Romero s beatification process which attempts to show Romero as a martyr In the end the book hopes to offer some suggestions for an expanded definition of martyrdom in the 21st century By responding to the call of Pope Francis for an expanded definition the reality of martyrdom in Latin America might be better understood and applied to the universal church *The Harvest of Justice* Daniel Santiago, 1993

Óscar Romero and Catholic Social Teaching Todd Walatka, 2024-10-15 This book explores the life mission and writings of martyred Salvadorian archbishop Oscar Romero in the light of contemporary work for justice and human development Many historians theologians and scholars point to Oscar Romero as one of the most perceptive creative and challenging interpreters of Catholic social teaching in the post Vatican II period while also recognizing the foundational importance of Catholic social teaching in his thought and ministry Editor Todd Walatka brings together fourteen leading scholars on both Romero and Catholic social teaching combining essays that contextualize Romero s engagement historically and focus on the challenges facing Christian communities today The result is a timely engaging collection of the most rigorous scholarly engagement with Romero and Catholic social teaching to date Contributors Ana María Pineda R S M Michael E Lee Matthew Philipp Whelan Jon Sobrino S J Edgardo Colón Emeric David M Lantigua Leo Guardado Stephen J Pope Kevin F Burke S J Jos Henríquez Leiva Meghan J Clark Elizabeth O Donnell Gandolfo Rubén Rosario Rodríguez Peter Casarella and Todd Walatka **Priest Under Fire** Peter M. Sánchez, 2015-12-09 Through interviews with David Rodríguez and a good helping of critical historical context Sanchez illustrates the extent to which some religious leaders played pivotal

roles in the popular movement of El Salvador's political crisis of the 1970s and 1980s Óscar Romero's Theological Vision Edgardo Colón-Emeric, 2018-10-30 This ambitious book examines Saint Oscar Romero's words to understand how his thoughts fit into the broader context of Catholic theology On March 24 1980 Archbishop Oscar Romero was assassinated as he celebrated mass in El Salvador He was canonized as a saint by Pope Francis on October 14 2018 Edgardo Colón Emeric explores the life and thought of Romero and his theological vision which finds its focus in the mystery of the transfiguration Romero is now understood to be one of the founders of liberation theology which interprets scripture through the plight of the poor His theological vision is most succinctly expressed by his saying Gloria Dei vivens pauper The glory of God is the poor who lives God's glory was first revealed through Christ to a landless tenant farmer a market woman and an unemployed laborer and they received the power to shine from the church to the world Colón Emeric's study is an exercise in what Latino theologians call *ressourcement* from the margins or a return to theological foundations One of the first Latin American Church Fathers Romero's theological vision is a sign of the emergence of Christianity in the Global South from reflection Church to source Church The hope for this study is that scholars in the fields of theology religious studies and Latin American studies will be captivated by the doctrine of this humble pastor and inspired to think more clearly and act more decisively in solidarity with the poor

Explorations In Global Ethics Sumner B Twiss, 2018-03-08 Inspired by the 1993 Parliament of the World's Religions this volume for the first time brings the scholarly discipline of comparative religious ethics into constructive collaboration with the community of interreligious dialogue The contributors draw from both communities of discourse in addressing questions of method and theory and global moral issues such as human rights distributive justice politics of war international business the environment and genocide in a cross cultural context Inspired by the 1993 Parliament of the World's Religions this volume for the first time brings the scholarly discipline of comparative religious

ethics into constructive collaboration with the community of interreligious dialogue Its design is premised on two important insights First interreligious dialogue offers to comparative religious ethics a new more persuasive rationale agenda of issues and practical orientation Second comparative religious ethics offers to interreligious dialogue an arsenal of critical tools and methods which will enhance the sophistication of its practical work In this way both theory a dominant concern and strength of comparative religious ethics and praxis a dominant concern and strength of interreligious moral dialogue are joined together in mutual effort each contributing to the benefit of the other The volumes contributors share this vision of collaboration drawing explicitly from both communities of discourse in a manner that crosses disciplinary and professional boundaries to deal creatively and constructively with important methodological and global moral issue Although theory and practice cannot easily be separated in such a collaborative project for the purpose of clarity the volume is divided into two main parts The first specifically engages questions of method theory and the social role of the public intellectual the second on substantive moral themes and issues many of which were raised at the 1993 Parliament Taken together the volumes essays articulate and illustrate new ways of approaching contemporary moral concerns cross culturally yet with a rigor appropriate to our complex and pluralistic world

Von Balthasar & the Option for the Poor Todd Walatka,2017 Hans Urs von Balthasar s vast corpus of theological philosophical literary and pastoral writings remains one of the most impressive achievements in 20th century thought In light of liberation theology and now the papacy of Francis however a theological affirmation of the option for the poor remains dangerously weak in Balthasar s corpus Von Balthasar and the Option for the Poor offers a sympathetic reforming of Balthasar s account of the drama of salvation what he calls theodramatics in response to this weakness
