The Heart Knows Something Different Teenage Voices From The Foster Care System Youth Communication:

The Heart Knows Something Different Al Desetta, 2008-06-26 Offers articles and letters by teenagers in foster care in New York that discuss families the foster care system identity and the future

The Heart Knows Something Different Al Desetta, 1996 There are more than 450 000 children living in foster care The Heart Knows Something Different collects over three dozen personal narratives by young writers ages 15 to 20 and provides an insider's account of growing up in the system It takes us into a world largely hidden from public view and attests to the mix of pain and fear and sometimes hope and sometimes even happiness that the foster care experience involves

Foster Care Jill Hamilton, 2007-10-16 According to A B C News approximately 800 000 children every year come in contact with the foster care system While the system is set up to take in children whose homelife is awful in some cases Foster care offers no better conditions Despite more than a decade of intended reform the foster care system is overcrowded and rife with issues This collection of essays teaches readers about the issues surrounding foster care The essays represent a diversity of opinion on the topic including both conservative and liberal points of view in an even balance Readers will learn about the history of foster care and what it's like to be a child in the system Essay sources like The Economist tackle issues of foster care funding stating it needs to be changed This collection will truly provide your readers with an intelligent balanced understanding

The Courage to Be Yourself Al Desetta, 2005-09-15 Cassandra is hassled by her friends for sitting with the wrong kids at lunch Jennifer gets harassed because she's overweight Dwan's own family taunts her for not being black enough Yen is teased for being Chinese Jamel for not smoking marijuana Yet all find the strength to face their conflicts and the courage to be themselves In 26 first person stories real teens write about their lives with searing honesty They will inspire young readers to reflect on their own lives work through their problems and learn who they really are

Healthy Living for Teens Youth Communication, Al Desetta, 2021-06-29 In Healthy Living for Teens young writers show that it's possible to overcome bad habits and lead healthy lives in a time when substance abuse junk food and low self esteem and self worth are major social problems Inspire teen and preteen readers to take responsibility for and make wiser decisions about their lives with the essays in this book each written by a teenager Within these pages Edwin Mercado Evelyn Gofman Antwaun Garcia and many others describe how they got on the right path toward healthy habits breaking unhealthy ones like smoking taking drugs abusing alcohol or seeking comfort in foods they know are unhealthy Essays include Tales of a 17 Year Old Smoker How I Quit Fast Food Clean and Kind of Sober What Drugs Do to You Starving for Acceptance Shapin Up Dear Food Diary Guttony Getaway I Desperately Needed Cooking 101 What is Bad Food so Good Why Should Teens Care About Nutrition My Hood is Bad for My Health Male on the Scale Scaling Back The Would Be Vegetarian Breathing Easier How Exercise Relieves Stress Poetry Keeps Me Calm Do for You Nature is My Salvation My Life with OCD Arthritis at Thirteen Addled on Adderal and more Through these essays teen readers as well as their parents teachers and caregivers will pick up new tricks to beating bad habits but will also be

provided a much needed glimpse into how the world looks to our younger generations

Literacy Jennifer Sweeney,2011-12-19 This exploration of juvenile corrections librarianship provides a complete description of these specialized services addresses unique challenges in this library environment and promotes intellectual and social growth for at risk youth The facts regarding juvenile corrections are grim In California alone 13 000 youth are housed as wards of the state Rearrest rates for young people in detention and correction facilities range from 77 to 90 percent The good news is youth corrections librarianship has the potential to improve the situation This book fills a gap in the literature on corrections librarianship which is focused almost solely on adult prisons Programs for juvenile offenders require significantly more emphasis on

education and rehabilitation than adults There is also greater urgency in delivering needed services to youth offenders

Literacy A Way Out for At Risk Youth provides librarians in juvenile detention facilities with tools to face their unique challenges such as collaborating with corrections staff and encouraging youth to maintain their connection to the library after release The author s recommendations for reader s advisory collection development and other services are geared toward helping teens cope with their problems and develop better decision making skills Promoting Resiliency in Adolescent Offenders Through Case Stories and Narrative Construction Victoria Lee Brown,2002 Brothers and Sisters in Adoption Arleta James,2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive Covering Youth and Family Issues ,1997 Building It All from Scraps Beverly Ann Kessler,2010-06-30 To chase to embrace and to savor the deepest passions of her heart a quirky carpenter s daughter builds her social work career and fills the emptiness she has long known by captivating the love of her life Carolyn But Jordan Mathews success is short lived as her career evolves into an outrageous battle of office politics where no good deed seems to go unpunished and where only the power of love survives A vibrant and playful celebration of gay pride Building It All From Scraps is a campy fiction that blends love relationships friendships and family with an understanding of gay culture and history Set at the Jersey Shore in the 1970s and 1980s the story shares the transformation of a shy and ambiguous girl to a professional gay woman and pits wants vs expectations needs vs loyalties in this comical construction of life s loves and the quest to find true meaning The author includes a variety of articles about prominent social issues and especially those affecting gay people at the end of the book These condensed professional yet easy to understand articles form a reference section that serves as a political history and social commentary for gay people everywhere But you don t need to use the reference section to enjoy this amusing story about life and love fulfilled A tale that revels in the clash of

the sexual revolution balancing disco community and true love with family life and working class values Building It All from Scraps is a humorous and solidifying testimonial to all gay people an educational and informative book for all human service workers and a great piece of philosophical entertainment for those who are neither And it lets us know at the end of the day that we are all the same **The MacArthur Fellows Program** John D. and Catherine T.
