**The Hero and the Misfit** Albert Rosenberg, 2020-01-29 The future of man and society rests with man himself Just as our technological future depends on our understanding of the working of nature so our social future depends largely on our scientific understanding of the future of the workings of society If we are to control and direct social life toward ends we believe to be worthwhile we must first be able to explain and understand the mechanism of society in general and for our own society in particular This study called social science is obviously of vital importance today and for this reason it has been selected as the subject of this book

*The Hero and the Whore* Camille Hernandez, 2023-10-31 Of all the things modern people of faith overlook or choose to ignore in the Bible stories of sexual exploitation are near the top of the list This isn't so different from our world today when victims of trafficking rape and harassment are dismissed and disbelieved their stories twisted and erased Trauma-informed educator and minister Camille Hernandez dives deep into the Bible's stories of exploitation and abuse to name the difficult truths buried in Scripture address the forms such violence takes in modern society and illuminate a path of healing and hope With a blend of storytelling cultural analysis and trauma-informed care *The Hero and the Whore* invites readers to reconsider their assumptions about victims of sexual exploitation and respond with compassionate understanding that will bring us all to the wholeness God desires
