Edward Jackson Lowell

The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War:

The Hessians and the Other German Auxiliaries of Great Britain in the Revolutionary War Edward J. Lowell, 2009-06
Nearly 30 000 German mercenaries fought on the British side during the American Revolution and participated in virtually every major engagement of the war. Although these German auxiliaries came from six different German states they are commonly known as Hessians because the vast majority came from the principality of Hesse Cassel. After the war approximately 7 000 German soldiers remained in North America becoming the progenitors of many thousands of North Americans living today. Edward J. Lowell's *The Hessians and the Other German Auxiliaries of Great Britain in the Revolutionary War* one of the earliest histories of the German auxiliary troops is a landmark work that presents a comprehensive record of the German role in the American Revolution from the German perspective. After describing the political situation in Hesse and the treaties that induced the German soldiers to fight for the British, Lowell uses original German accounts of almost every battle from 1776 to the end of the war to create a picture of what sort of people the auxiliaries were and what impression America and the Americans made on them. This book will be of great interest to the many researchers in the United States and Canada whose ancestors were German auxiliary soldiers from the Revolutionary era.

The Hessians and the Other, German

Auxiliaries of Great Britain in the Revolutionary War (Classic Reprint) Edward J. Lowell, 2015-07-07 Excerpt from The Hessians and the Other German Auxiliaries of Great Britain in the Revolutionary War The history of the German auxiliaries who fought for Great Britain in the Revolutionary War has not received from American writers the amount of attention which its importance would seem to deserve Much has been made of the fact that seven thousand French soldiers and nineteen thousand French seamen assisted the United States in the siege of Yorktown but we have forgotten that a force of between fifteen and twenty thousand Germans served for seven years against us that more than twenty nine thousand were brought to America for this purpose that more than twelve thousand never returned to Germany I know of no American historian but Bancroft who has made any thorough study of this subject in the original authorities and the general nature of his work does not call on him and indeed would hardly permit him to write the history of the German troops in detail About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Hessians and the Other German Auxiliaries of Great Britain in the Revolutionary War - War College Series Edward Jackson Lowell, 2015-02-18 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a

historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works

A Hessian Diary of the American Revolution Johann Conrad Döhla, 1993 This unique diary written by one of the thirty thousand Hessian troops whose services were sold to George III to suppress the American Revolution is the most complete and informative primary account of the Revolution from the common soldier's point of view Johann Conrad Döhla describes not just military activities but also events leading up to the Revolution American customs the cities and regions that he visited and incidents in other parts of the world that affected the war He also evaluates the important military commanders giving readers an insight into how the enlisted men felt about their leaders and opponents Private Döhla crossed the Atlantic Ocean in 1777 as a private in the Ansbach Bayreuth contingent of Hessian mercenaries His American sojourn began in June 1777 in New York Then after several months on Staten Island and Manhattan the Ansbach Bayreuth regiments traveled to the thriving seaport of Newport Rhode Island where they spent more than a year before the British forces evacuated the area The Ansbach Bayreuth regiments returned briefly to the New York New Jersey area before they were sent to reinforce the English command in Virginia Eventually Döhla participated in the battle of Yorktown of which he provides a vivid description before enduring two years as a prisoner of war after Cornwallis's surrender Bruce E Burgoyne has provided an accurate translation helpful notes for scholars and general readers and an introduction on the Ansbach Bayreuth regiments and the history of Johann Conrad Döhla and his diary This first edition of the diary in English will delight all who are interested in the American Revolution and the thirteen original colonies

The Hessians and the Other German Auxiliaries of Great Britain in the Revolution Edward J. Lowell, 2014-06-16 One of the most famous revolutions in history the American Revolution 1775-1783 was the political upheaval in which 13 distinct colonies in North America banded together to cast off British rule forming the United States of America After the shot heard round the world on April 19 1775 at the Battle of Lexington the colonies sent representatives to the Second Continental Congress the new states joined together at first to defend their respective self governance and manage the armed conflict against the British known as the Revolutionary War 1775-83 also American War of Independence Ultimately the states collectively determined that the British monarchy by acts of tyranny could no longer legitimately claim their allegiance They then severed ties with the British Empire in July 1776 when the Congress issued the Declaration of Independence rejecting the monarchy on behalf of the new sovereign nation separate and external to the British Empire Of course the colonial forces still had to defend against the British attempts to subjugate them militarily and given the British Empire's supremacy on both land and sea this would be a lot easier said than done The war ended with effective American victory in October 1781 after Yorktown followed by formal British abandonment of any claims to the United States with the Treaty of Paris in 1783 The British relied heavily on

mercenaries none more despised or feared than the Hessians Although largely forgotten today other than the fact that some Hessians fell victim to George Washington's surprise attack on Christmas Day in 1776 they were an important part of the Revolution Edward J Lowell wrote an account of the Hessians participation in the Revolution [Research Notes from the Hessians and the Other German Auxiliaries of Great Britain in the Revolutionary War by Edward J. Lowell](#) Mildred Clark,2008

The Hessians and the other German auxiliaries of Great Britain in the revolutionary war Edward J. Lowell,1965

The Hessians Edward J. Lowell,1975 *The American Revolution 1775-1783* Richard L. Blanco,2020-12-06 This definitive encyclopedia originally published in 1983 and now available as an ebook for the first time covers the American Revolution comes in two volumes and contains 865 entries on the war for American independence Included are essays ranging from 250 to 25 000 words on major and minor battles and biographies of military men partisan leaders loyalist figures and war heroes as well as strong coverage of political and diplomatic themes The contributors present their summaries within the context of late 20th Century historiography about the American Revolution Every entry has been written by a subject specialist and is accompanied by a bibliography to aid further research Extensively illustrated with maps the volumes also contain a chronology of events glossary and substantial index [The Hessians](#) Rodney Atwood,2002-08-15

A study of the German auxiliaries who fought with the British against the American colonists **History of Prisoner of**

War Utilization by the United States Army, 1776-1945 George Glover Lewis,John Mewha,1955 **Voices of Revolutionary America** Carol Sue Humphrey,2011-05-23 This book describes the everyday lives of people during the American Revolution as they adapted to the political and military conflicts of the time Students studying the American Revolutionary War learn primarily about battles and how independence from the British was achieved In *Voices of Revolutionary America* Contemporary Accounts of Daily Life readers get the largely untold story of the American Revolution the ongoing issues and details of life in the background behind the battles This book surveys the entirety of the Revolutionary era describing topics like marriage childbirth learning a trade cost of living slavery and religion in the late 18th century While some documents from the 1760s and early 1770s are provided to present general information about life the book focuses on the years of the war from 1775 to 1783 and describes how the prolonged conflict impacted people's day to day lives

The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War Introduction

In todays digital age, the availability of The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals for download has revolutionized the way we access information. Gone are the days of

physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical

documents. In conclusion, The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War books and manuals for download and embark on your journey of knowledge?

FAQs About The Hessians And The Other German Auxiliaries Of Great Britain In The Revolutionary War Books
