The Guilty Heart:

The Guilty Heart Julie Parsons, 2003 Ten years ago Owen Cassidy eight years old thick fair hair bright blue eyes disappeared Everyone had thought that he was out playing with his best friend Luke But later it turned out that Owen had left him in the middle of the afternoon And never made it home He vanished leaving no trace except for a trainer found in a rubbish bin two weeks later His disappearance left his father Nick distraught but also full of guilt For instead of looking after Owen that day Nick had spent the afternoon in bed with one of their neighbours It was an affair that would tear his family apart The aftermath of Owen s disappearance drove Nick away from his wife and home to America He has moved from city to city trying to forget But it is impossible to run away from a guilty heart Now ten years on a sudden encounter forces Nick to return to Dublin to confront his demons He arrives to find the world has moved on But he is determined to face up to his past and to find out at last exactly what happened to his son Little does he realise that his investigations will soon unleash further violence taking him into a terrifying world that he barely knew existed

Psychoanalytic Readings of Hawthorne's Romances David B. Diamond, 2021-07-08 Offering innovative

psychoanalytic readings of Nathaniel Hawthorne s four romances this volume systematically applies Freudian theory to

present significant new insights into the psychology of Hawthorne s characters and their fates By critically examining scenes

in which the protagonists confront past traumas Diamond underscores the transformative potential which Hawthorne

attributes to encounters with the unconscious Psychoanalytic narrative technique is employed to interpret the psychological

crises all hidden by Hawthorne in narrative gaps in *The Scarlet Letter* *The House of the Seven Gables* *The Blithedale*

Romance and *The Marble Faun* The protagonists transformations that are illuminated are crucial to an understanding of the

trajectory and resolution of the romances The text will benefit both academic and non academic readers who seek a deeper

understanding of the psychology of Hawthorne s romances It will be of particular interest to educators and researchers of

applied psychoanalysis and psychoanalytic technique Since its conclusions challenge many currently held critical views this
