

The Hagiography of Kievan Rus'

Translated and with an Introduction
by Paul Hollingsworth

Harvard Library of Early Ukrainian Literature
English Translations: Volume II

The Hagiography Of Kievan Rus

Stella Rock

The Hagiography Of Kievan Rus:

The Hagiography of Kievan Rus' Paul Hollingsworth,1992 Among the finest products of early Ukrainian literature were the Lives of the first Rus saints Hollingsworth provides a lucid introduction that discusses each saint and his or her cult in the historical as well as social contexts and examines the literary and textual features of the Rus vitae **The Ruling Families of Rus** Christian Raffensperger,Donald Ostrowski,2023-08-17 A new history of the Kyivan Rus a medieval dynastic state in eastern Europe Kyivan Rus was a state in northeastern Europe from the late ninth to the mid sixteenth century that encompassed a variety of peoples including Lithuanians Polish and Ottomans The Ruling Families of Rus explores the region's history through local families revealing how the concept of family rule developed over the centuries into what we understand as dynasties today Examining a broad range of archival sources the authors examine the development of Rus Lithuania Muscovy and Tver and their relationships with the Mongols Byzantines and others The Ruling Families of Rus will appeal to scholars interested in the medieval history of eastern Europe **A History of Ukraine** Paul R. Magocsi,1996-01-01 Uitgebreide monografie over de geschiedenis van de Oekraïne *Byzantium - Rus - Russia* Simon Franklin,2024-10-28 The Christian culture of Rus the medieval precursor of modern Russia Ukraine and Belarus is sometimes presented either as a reflection of an indigenous spirituality wrapped in borrowed Byzantine forms or by contrast as merely a provincial version of its Byzantine original The essays in this volume start from the premise that neither view is adequate The history of culture even of a self consciously imitative culture involves a continual process of inevitable mistranslation as the imported models are reshaped and reinterpreted according to local resources circumstances and preconceptions These essays explore aspects of the translation of culture on several levels from the semantic processes of the actual translation of written texts from Greek into Slavonic through to larger issues of ideology and identity They consider both the initial stages of such translation from Byzantium to Rus and some of the subsequent retranslations of the Byzantine heritage in the culture of Rus and eventually of Russia *A History of Russia Volume 1* Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss's A History of Russia will appeal to academics students and general readers alike **Historical Dictionary of Medieval Russia** Lawrence N. Langer,2021-09-15 The emergence of Russia or Rus as it was known from a group of scattered Slavic tribes into one of the most powerful states of medieval and modern European history is an extraordinary story It is a story filled with much

struggle as there were historical periods when Russia almost ceased to exist as it underwent invasion and conquest Historical Dictionary of Medieval Russia Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about medieval Russia

Christianization and the Rise of Christian Monarchy Nora Berend,2007-11-22 This 2007 text is a comparative analysis of one of the most fundamental stages in the formation of Europe Leading scholars explore the role of the spread of Christianity and the formation of new principalities in the birth of Denmark Norway Sweden Bohemia Hungary Poland and Rus around the year 1000 Drawing on history archaeology and art history and emphasizing problems related to the sources and historiographical debates they demonstrate the complex interdependence between the processes of religious and political change covering conditions prior to the introduction of Christianity the adoption of Christianity and the development of the rulers power Regional patterns emerge highlighting both the similarities in ruler sponsored cases of Christianization and differences in the consolidation of power and in institutions introduced by Christianity The essays reveal how local societies adopted Christianity medieval ideas of what constituted the dividing line between Christians and non Christians and the connections between Christianity and power

Christian Russia in the Making Andrzej Poppe,2023-05-31 The present collection of studies by Andrzej Poppe in many ways represents a continuation of the research brought together a quarter century ago in the author s previous Variorum volume The focal themes are the political circumstances of the baptism of Russia and the processes by which Rus became a Christian country an era marked by the emergence of indigenous saints in royal and monastic garb Relations with the Byzantine world both political and ecclesiastical are often to the fore but as Poppe shows those with the West from the Carolingians onwards were important too Many of the articles are provided with additional notes and the volume includes three pieces previously unpublished in English including an introductory survey of the Rurikid dynasty and a major new study of the process by which Vladimir the Great became a saint

The Dynasty of Chernigov, 1146-1246 Martin Dimnik,2003-06-12 Historians in pre revolutionary Russia in the Soviet Union in contemporary Russia and in the West have consistently relegated the medieval dynasty of Chernigov to a place of minor importance in Kievan Rus This view was reinforced by the evidence that after the Mongols invaded Rus in 1237 the two branches from the House of Monomakh living in the Rostov Suzdal and Galicia Volyn regions emerged as the most powerful However careful examination of the chronicle accounts reporting the dynasty s history during the second half of the twelfth and the first half of the thirteenth century shows that the Ol govichi of Chernigov successfully challenged the Monomashichi for supremacy in Rus Through a critical analysis of the available primary sources such as chronicles archaeology coins seals graffiti in churches and architecture this 2003 book attempts correct the pervading erroneous view by allocating to the Ol govichi their rightful place in the dynastic hierarchy of Kievan

Rus *Religion, Morality, and Community in Post-Soviet Societies* Mark D. Steinberg, Catherine Wanner, 2008-11-13 This collection reveals the presence and power of religious belief and practice in public life after the demise of Soviet socialism Based on recent research and interdisciplinary methodologies *Religion Morality and Community in Post Soviet Societies* examines how religious organizations and individuals engage the changing and troubled environment in which they live which presents expanded civil freedom but much everyday uncertainty unhappiness injustice and suffering Page 4 of cover

St. Magnús of Orkney Haki Antonsson, 2007-04-30 The focus of this book is on the cult of St Magn s Earl of Orkney who was killed in 1116 1117 in an inter dynastic dispute More specifically it looks at the emergence of the Magn s cult in the twelfth century and the hagiographical corpus that was composed in his honour by Icelandic and English men of letters These aspects of the Orcadian cult are not however examined in isolation but are rather placed within broader Scandinavian and European contexts Moreover they provide points of departure for the examination of important topics relating to religious life and literature in early Christian Scandinavia such as the earliest cults of native saints and the perception of martyrdom

The Oxford Handbook of Russian Religious Thought Caryl Emerson, George Pattison, Randall A. Poole, 2020-09-04 The Oxford Handbook of Russian Religious Thought is an authoritative new reference and interpretive volume detailing the origins development and influence of one of the richest aspects of Russian cultural and intellectual life its religious ideas After setting the historical background and context the Handbook follows the leading figures and movements in modern Russian religious thought through a period of immense historical upheavals including seventy years of officially atheist communist rule and the growth of an exiled diaspora with e g its journal *The Way* Therefore the shape of Russian religious thought cannot be separated from long running debates with nihilism and atheism Important thinkers such as Losev and Bakhtin had to guard their words in an environment of religious persecution whilst some views were shaped by prison experiences Before the Soviet period Russian national identity was closely linked with religion linkages which again are being forged in the new Russia Relevant in this connection are complex relationships with Judaism In addition to religious thinkers such as Philaret Chaadaev Khomiakov Kireevsky Soloviev Florensky Bulgakov Berdyaev Shestov Frank Karsavin and Alexander Men the Handbook also looks at the role of religion in aesthetics music poetry art film and the novelists Dostoevsky and Tolstoy Ideas institutions and movements discussed include the Church academies Slavophilism and Westernism theosis the name glorifying imiaslavie controversy the God seekers and God builders Russian religious idealism and liberalism and the Neopatristic school Occultism is considered as is the role of tradition and the influence of Russian religious thought in the West

Reformulating Russia Kåre Johan Mjør, 2011-05-06 Georgii Fedotov s *Saints of Ancient Russia* Georgii Florovskii s *The Ways of Russian Theology* Nikolai Berdiaev s *The Russian Idea* and Vasilii Zenkovskii s *History of Russian Philosophy* these are among the most well known and widely read historical studies of Russian thought and culture Having left their homeland after the Bolshevik Revolution these four authors aimed to present their readers with

a common past and thus with a common identity and their historical works emerged out of the need for reorientation in a post revolutionary migr situation At the same time they were to elaborate highly contrasting versions of the Russian past By means of in depth narrative and contextual analyses Reformulating Russia provides a detailed examination of the visions of Russia contained in these four works

Reimagining Europe Christian Raffensperger,2012-03-12 An overriding assumption has long directed scholarship in both European and Slavic history that Kievan Rus in the tenth through twelfth centuries was part of a Byzantine commonwealth separate from Europe Christian Raffensperger refutes this conception and offers a new frame for two hundred years of history one in which Rus is understood as part of medieval Europe and East is not so neatly divided from West With the aid of Latin sources the author brings to light the considerable political religious marital and economic ties among European kingdoms including Rus restoring a historical record rendered blank by Russian monastic chroniclers as well as modern scholars ideologically motivated to build barriers between East and West Further Raffensperger revises the concept of a Byzantine commonwealth that stood in opposition to Europe and under which Rus was subsumed toward that of a Byzantine Ideal esteemed and emulated by all the states of Europe In this new context appropriation of Byzantine customs law coinage art and architecture in both Rus and Europe can be understood as an attempt to gain legitimacy and prestige by association with the surviving remnant of the Roman Empire Reimagining Europe initiates an expansion of history that is sure to challenge ideas of Russian exceptionalism and influence the course of European medieval studies

Popular Religion in Russia Stella Rock,2007-09-10 This book dispels the widely held view that paganism survived in Russia alongside Orthodox Christianity demonstrating that double belief dvoeverie is in fact an academic myth Scholars citing the medieval origins of the term have often portrayed Russian Christianity as uniquely muddled by paganism with double believing Christians consciously or unconsciously preserving pagan traditions even into the twentieth century This volume shows how the concept of dvoeverie arose with nineteenth century scholars obsessed with the Russian folk and was perpetuated as a propaganda tool in the Soviet period colouring our perception of both popular faith in Russian and medieval Russian culture for over a century It surveys the wide variety of uses of the term from the eleventh to the seventeenth century and contrasts them to its use in modern historiography concluding that our modern interpretation of dvoeverie would not have been recognized by medieval clerics and that double belief is a modern academic construct Furthermore it offers a brief foray into medieval Orthodoxy via the mind of the believer through the language and literature of the period

The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski,2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early

modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely

Sources of Slavic Pre-Christian Religion, 2020-10-12 In Sources of Slavic Pre Christian Religion Juan Antonio lvarez Pedrosa presents the original texts as well as English translations of all known medieval sources that inform us about the religion practiced by the Slavs before their Christianization Since the Slavs did not have a written culture before their conversion to Christianity all the texts were authored by people who were involved in this long process or in contact with the Slavs For this reason the texts come from a lengthy period from the ninth to the fifteenth century Since the texts were originally written in seven different ancient languages the present book is the result of the work of a large team of specialists

Modernism in Kyiv Irene Rima Makaryk, Virlana Tkacz, 2010-01-01 Modernism in Kyiv restores the multicultural city of Kyiv to its rightful position as a major player in the dialogue and cross pollination of ideas occurring between important modernist figures in centres such as Paris New York London and Vienna Engaging and highly readable this collection is impressive in its scope depth and breadth The study of modernism has been largely focused on Western cultural centres such as Paris Vienna London and New York Extravagantly illustrated with over 300 photos and reproductions Modernism in Kyiv demonstrates that the Ukrainian capital was a major centre of performing and visual arts as well as literary and cultural activity While arguing that Kyiv's modernist impulse is most prominently displayed in the experimental work of Les Kurbas one of the masters of the early Soviet stage the contributors also examine the history of the city and the artistic production of diverse groups including Ukrainians Russians Jews and Poles Until now a silent presence in Western accounts of the cultural topography of modernism multicultural Kyiv is here revealed in its historical intellectual and artistic complexity Excerpts taken from the works of artists writers and critics as well as the numerous illustrations help give life to the exciting creativity of this period The first book length examination of this subject Modernism in Kyiv is a breakthrough accomplishment that will become a standard volume in the field

Historical Dictionary of Ukraine Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has

usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine

The Routledge Handbook of East Central and Eastern Europe in the Middle Ages, 500-1300 Florin

Curta, 2021-11-29 The Routledge Handbook of East Central and Eastern Europe in the Middle Ages 500 1300 is the first of its kind to provide a point of reference for the history of the whole of Eastern Europe during the Middle Ages While historians have recognized the importance of integrating the eastern part of the European continent into surveys of the Middle Ages few have actually paid attention to the region its specific features problems of chronology and historiography This vast region represents more than two thirds of the European continent but its history in general and its medieval history in particular is poorly known This book covers the history of the whole region from the Balkans to the Carpathian Basin and the Bohemian Forest to the Finnish Bay It provides an overview of the current state of research and a route map for navigating an abundant historiography available in more than ten different languages Chapters cover topics as diverse as religion architecture art state formation migration law trade and the experiences of women and children This book is an essential reference for scholars and students of medieval history as well as those interested in the history of Central and Eastern Europe

The Hagiography Of Kievan Rus Introduction

In today's digital age, the availability of The Hagiography Of Kievan Rus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Hagiography Of Kievan Rus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Hagiography Of Kievan Rus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Hagiography Of Kievan Rus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Hagiography Of Kievan Rus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hagiography Of Kievan Rus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hagiography Of Kievan Rus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Hagiography Of Kievan Rus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Hagiography Of Kievan Rus books and manuals for download and embark on your journey of knowledge?

FAQs About The Hagiography Of Kievan Rus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Hagiography Of Kievan Rus is one of the best book in our library for free trial. We provide copy of The Hagiography Of Kievan Rus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Hagiography Of Kievan Rus. Where to download The Hagiography Of Kievan Rus online for free? Are you looking for The Hagiography Of Kievan Rus PDF? This is definitely going to save you time and cash in something you should think about.
