The Hazards Of Peace A European View Of Detente:

The Hazards of Peace Juan Cassiers, 1976 **The International Politics of Natural Resources** Zuhayr Mikdashi, 2019-06-30 An impartial and shrewd observer here takes a close look at the major producers of today's most sought after commodities Mr Mikdashi deals with the ever shifting pattern of cooperation and antagonism between transnational enterprises companies owned by corporations in developed countries and active in more than one nation and their host governments especially those in the developing world Comparing operations in various countries and in various industries he describes how governments and transnationals work together and separately to exploit market opportunities Petroleum copper iron sulfur uranium bauxite and tin these are among the resources he examines He illuminates the policies strategies and relationships of the protagonists under different market and environmental conditions discussing the relations among the governments themselves and the alliances they have formed such as OPEC and CIPEC Finally he offers suggestions for cooperative action that could both serve the needs of the less developed areas and promote international harmony Practical in approach and original in concept the book clarifies complex contemporary problems and points the way toward solving them *Perception and Misperception in International Politics* Robert Jervis, 2017-05-02 Since its original publication in 1976 *Perception and Misperception in International Politics* has become a landmark book in its field hailed by the New York Times as the seminal statement of principles underlying political psychology This new edition includes an extensive preface by the author reflecting on the book's lasting impact and legacy particularly in the application of cognitive psychology to political decision making and brings that analysis up to date by discussing the relevant psychological research over the past forty years Jervis describes the process of perception for example how decision makers learn from history and then explores common forms of misperception such as overestimating one's influence He then tests his ideas through a number of important events in international relations from nineteenth and twentieth century European history *Perception and Misperception in International Politics* is essential for understanding international relations today **World Directory of Peace Research Institutions** Unesco. Social Science Documentation Centre, 1981 UNESCO pub International directory of research centres engaged in or supporting peace and conflict research activities World Directory of Peace Research Institutions, 1984 **Peace Research** Unesco, 1979 The Atlantic Community Quarterly, 1977 **Catalog of the Peace Collection** Swarthmore College. Peace Collection, 1982 **Peace Research**, 1979 **Subject Guide to Books in Print**, 1971 **A London Bibliography of the Social Sciences** British Library of Political and Economic Science, 1931 Vols 1 4 include material to June 1 1929 **Journal of International Affairs**, 1976 Detente in Europe, 1972-1976 Gill Bennett, Keith A. Hamilton, 2013-10-23 Drawing on records of the Foreign and Commonwealth Office this work focuses on Britain's role in the Mutual and Balanced Force Reductions in Vienna and British policy towards the Soviet Union and its satellites British reactions to detente between the superpowers are charted *Catalog, the Joseph J. Malone Collection on*

Arabian Affairs in the William R. Perkins Library, Duke University Duke University. Library, 1985 *European Peace Movements and the Future of the Western Alliance* Walter Laqueur, Robert Edwards Hunter, 1985-01-01 This extraordinary compendium concerns the future of the Western alliance and the development of the peace movements in Europe and in the United States After a long postwar marriage Europeans and Americans alike are reexamining the premises of the Western alliance This volume contributes to this reexamination Book Review Digest , 1978 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher

Britain, Détente, and the Helsinki CSCE Kai Hebel, 2025-09-15 This book offers the first in depth account of the United Kingdom's contribution to the rapprochement between East and West that culminated in the successful negotiation of the Helsinki Final Act of 1975 Britain's role in this historic achievement has been understudied and understated This book rectifies this shortcoming by tracing London's important contribution to East West diplomacy with a special focus on the negotiations of the Helsinki Final Act 1972-75 The Final Act was the product of almost three years of intense bargaining in the context of the Conference on Security and Cooperation in Europe Along with 34 other states the UK negotiated core aspects of European international relations including the political territorial and normative order of the divided continent Taking full advantage of its new role as a member of the European Community and its traditional part in NATO British negotiators skillfully navigated the opportunities and pitfalls of multilateral diplomacy Their success in hammering out several of the most contested and most innovative provisions of the Helsinki Accord earned them the moniker of Fathers of the Final Act Based on extensive archival research in eleven countries on three continents this book traces the evolution of the negotiations providing a compelling bottom up account of how diplomacy works in practice against the backdrop of inter state conflict and unequal power This book will be of much interest to students of Cold War History European history British history and International Relations Library Journal , 1977 **The Library Journal Book Review** , 1977 **Détente and Peace in Europe** Rüdiger Jütte, 1977

The Enthralling Realm of E-book Books: A Detailed Guide Revealing the Advantages of E-book Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and simplicity of access, have liberated readers from the limitations of hardcopy books.
