Newman: The Heart of Holiness Roderick Strange,2019-09-19 Newman The Heart of Holiness looks at the model of holiness Newman offers us to us all on the occasion of his canonisation a moment the Church recognises officially that Newman offers a model of holiness that is relevant for the Universal Church Newman himself in fact

said I have nothing of the saint about me The Church however has decided otherwise and in October this year Blessed John Henry Newman poet tractarian academic former Anglican Catholic convert and Cardinal will be canonised by Pope Francis In this book Roderick Strange brings his own lifetime of learning and studying of Newman together with newer material that has come to light since the beatification to offer a portrait of Newman s interior life That is his intimacy with God and his understanding of Christ which led him to rejoice in the gift of the Eucharist and he explores how Newman s interior life had its outworking in his pastoral ministry serving others This understanding of Newman s spirituality and legacy suggests the author might offer us an apologia for our own times one in which we realise the connection between the sacred and the secular one in which our faith can sustain us through the inevitable troubles of life and in which we can cultivate a perceptiveness peculiar to faith a perceptiveness that helps us recognise the gifts of the Spirit we have received as people who watch for Christ This book therefore is an attempt to peel back the layers of Newman s spirituality so as to explore respectfully the heart of his holiness Heart of the Redeemer Timothy O'Donnell,2017-11-07 In this revised updated edition of Heart of the Redeemer Timothy O Donnell synthesizes years of research to provide a thorough presentation of devotion to the Sacred Heart of Jesus He examines the doctrinal roots of the devotion in Scripture and in documents from the Apostolic and Patristic Ages charts its growth and development through the Middle Ages explains the enormous contribution of St Margaret Mary Alacoque and presents magisterial teaching on the subject including statements from Vatican Council II recent popes and the Catechism of the Catholic Church The book also includes images illustrating the development of the devotion Devotion to the Sacred Heart is a response to the tremendous love of Christ as symbolized by his human heart pierced on Calvary At the core of Catholic spiritual life the devotion is a key to effective renewal of the Church and the world Those who have not yet embraced this devotion or who want to understand it more deeply and practice it more fully will discover its profound richness and beauty in Heart of the Redeemer **The American Catalogue** ,1905
