## **The Hearts Disguise Lovestruck:**

**The Love Scrolls** Edward Theodore Hayes,2008-06 Forget everything you were taught forget everything you heard just forget everything you thought you knew about love What you are about to hear will change your heart forever What if we found someone that was true to love and characterized the nature of pure love itself Then you would have Angel and oh how she would save restore heal and guide one s heart to that perfect nature once again This will test the knight s beliefs love and allegiance to his queen The angel will reestablish the principles of love restore its hierarchy and carry its very flag The knight s beliefs will be turned upside down with a new angelic gospel Behold In truth the knight is about to be set free In faith he is about to grow wings In love he is about to soar and you are invited to go with him If you follow the angel s gospel you also will never be in want of the spiritual fruits again ever Let Angel tell it where they are and how to gain an eternal supply and never see the lack of love again no matter who you think may be holding its supply In the end you will share love s entire storehouse and enjoy its eternal victory Don t settle for just winning a heart but in love conquer Visit [thelovescrolls.com](http://thelovescrolls.com) for more

**Jar of Hearts** Nithya Reddy,2021-07-09 Jar of Hearts is a collection of 25 poems with a journey of 25 days In these poems you would find how the author takes you on a journey of love heartbreak hardships and life and how writing made her feel alive and at peace The author feels writing is her escape from reality and takes a new path of life away from the chaotic world The author also feels these poems are bound to make your day If you want to succeed in life then you should follow the path of consistency Without consistency there would be no meaning of success As they say Empty vessels make more noise The author believes that people would end up as empty vessels if they are not consistent in what they do This book is all about A decent human reminiscing about life So preserve everything you do in life and to preserve this opportunity I have written all the poems in this book in a free verse style
