Ranopanza,1993 The first ever collection of photographs **The Ninth Panchen Lama (1883-1937)** Fabienne Jagou,2011

This biography of the Ninth Panchen Lama the second highest spiritual authority in Tibetan Buddhism offers new insights into the tumultuous history of the relations between China and Tibet at the start of the twentieth century It demonstrates how the Panchen Lama s flight from his monastery on the night of December 22 1923 remains an essential characterizing event of Tibet s modern history In China the Panchen Lama became entwined with not only the Republican government but also the world of international politics By the 1930s the prelate was to find himself a pawn in a diplomatic game played by China Lhasa and England for control of Tibet His flight from his country set the stage for Chinese Republican and later Communist control over the selection of his successors with repercussions even today for Sino Tibetan relations Book jacket
