Sinister Tide:

Sinister Tide Colin Forbes, 2000-12 Shadow's Reckoning Nicole R. Taylor, 2024-12-06 Ancient forces stir The final reckoning calls In the shadow of fate the veil of truth unfurls In Stonebridge where magic and mystery intertwine June Morgan stands at the precipice of her greatest challenge yet Still haunted by betrayal and the lingering threat of the ultimate darkness she must unravel the secrets of her parents past to secure the future As June delves deeper into her magical training guided by her mentor Mirabel she uncovers dark artefacts tied to the Fortune family These remnants of a sinister plot reveal the true extent of the danger facing Stonebridge and beyond But that s not her only concern With her boyfriend Lucas acting strangely and her own powers pushed to their limits June struggles to balance her magical destiny with her desire for normalcy The weight of an impossible choice looms over her save the world or save herself As their enemy gathers their forces and the ultimate darkness grows stronger June races against time to master her abilities and uncover the truth behind her parents sacrifice With the fate of not just Stonebridge but the entire world hanging in the balance she must confront her former friend in a battle that will determine the course of everything **Shadow s Reckoning** is the thrilling conclusion to the Stonebridge Witches series In this heart pounding finale of magic sacrifice and redemption June will discover that in a world where darkness threatens to consume all the light within her may be the key to salvation **Prose of the Spirit** Cristián Sarmiento, Since 2014 a series of writings and ideas appeared without any control by the mind instructing a silent invitation to write them on paper At the same time this period coincides with an awakening of identity from individuality to collectivity It has not been at all simple different layers of energy have appeared through the consciousness begging for attention and compassion to feel them in depth This book has a more philosophical spirit and investigator of both life and what appears freely through consciousness Perhaps a more poetic sense of the experience that was emerging This book was quietly resting since 2016 I don t know the reason why however in general terms I could comment that it is the third part of a trilogy that begins with *Conversations with an Owl* continues with *Song of a Hermit* and ends with these prosas Trusting in what one feels and manifesting the experience of consciousness has a value that involves sharing what is inside you specifically in your heart At times the sadness of some moments of dark night of the soul appears in other alleyways the depth of personal research and the free interpretation of what is born from the creative potential of each human being Creativity allows us to re evaluate our own beliefs and be aware of them to initiate the process of personal choice We are the creators of our experience Although we don t have control over the results Interesting paradox We must observe our attachment to nostalgia and depression as well as the hidden beliefs about our separation from life Much of it is illusions as Buddha mentioned 2 500 years ago In our awakening process different artistic creative and expressive discoveries can appear Have the courage to share it have the conviction of feeling who you really are Maybe your essence is closer than you feel than you think **A Fall of Moondust** Arthur C.
