### **Sinn Fein And The Sdlp From Alienation To Participation:**

*Sinn Féin and the SDLP* Gerard Murray,Jonathan Tonge,2005 A political history of the SDLP and Sinn Fein from the onset of the Troubles in 1970 to the 2001 general election It outlines the political fortunes of the SDLP from its participation in the 1974 power sharing government to facing direct competition from Sinn Fein during the Hunger Strikes of the early 1980s

*The Catholic Church and the Northern Ireland Troubles, 1968-1998* Margaret M. Scull,2019-09-11 Until surprisingly recently the history of the Irish Catholic Church during the Northern Irish Troubles was written by Irish priests and bishops and was commemorative rather than analytical This study uses the Troubles as a case study to evaluate the role of the Catholic Church in mediating conflict During the Troubles these priests and bishops often worked behind the scenes acting as go betweens for the British government and republican paramilitaries to bring about a peaceful solution However this study also looks more broadly at the actions of the American Irish and English Catholic Churches as well as that of the Vatican to uncover the full impact of the Church on the conflict This critical analysis of previously neglected state Irish and English Catholic Church archival material changes our perspective on the role of a religious institution in a modern conflict

*Secessionism and Terrorism* Glen Duerr,2018-07-20 This book examines secessionist terrorism in a comparative context across Europe and Eurasia The volume seeks to uncover comparative linkages between terrorism and secessionism specifically examining terrorist organizations that also have a political goal of independence It examines a wide range of case studies including the IRA in Northern Ireland ETA in the Basque Country FLNC in Corsica and ARD in Brittany KLA in Kosovo PKK and TAK in Turkish Kurdistan and IK in Chechnya In doing so the book shows the linkages in terrorist tactics and demands as well as when and how ceasefires come into place Ultimately none of the terrorist organizations studied here has obtained their maximalist goal of gaining independence but each has caused significant bloodshed and has contributed to the debate on the future of governance in Europe and Eurasia The major strength of this format is to glean wider lessons on ethno nationalism as well as the causes and outcomes of terrorist actions Each case study also updates the literature on the individual cases to provide the most recent account of events in these countries This book will be of much interest to students of terrorism and political violence ethnic conflict nationalism European politics and International Relations in general

**John Hume and the revision of Irish nationalism** P. J. McLoughlin,2013-01-18 The book available at last in paperback explores the politics of the most important Irish nationalist leader of his generation and one of the most influential figures of twentieth century Ireland the Nobel Peace Prize winner John Hume Given his central role in the reformulation of Irish nationalist ideology and the vital part which he played in drawing violent republicanism into democratic politics the book shows Hume to be one of the chief architects of the Northern Ireland peace process and a key figure in the making of the 1998 Good Friday Agreement At the same time it considers Hume's failure in what he stated to be his foremost political objective the conciliation of the two communities in Northern Ireland The book is essential reading for specialists on Irish

history and politics but will also be of interest to academics and practitioners working in other regions of political and ethnic conflict In addition it will appeal to readers seeking to understand the crucial role played by Hume in modernising Irish nationalist thinking and bringing peace to Northern Ireland *Insider* Gerry Bradley,Brian Feeney,2012-12-01 BRADLEY SPEAKS OUT FOR THE FIRST TIME WITHOUT PERMISSION FROM THE IRA The IRA was Gerry Bradley s life His sole interest was in ops carrying out on the ground war Inspired initially to defend his home place against Loyalist threats he became one of the most senior operators in Belfast IRA When things turned political there seemed to be no place for his kind of activism THE INSIDE STORY BY A SENIOR IRA MAN **Dissident Irish Republicanism** Max Taylor,P.M.

Violence, Nonviolence, and the Palestinian National Movement Wendy Pearlman,2011-10-24 Why do some national movements use violent protest and others nonviolent protest Wendy Pearlman shows that much of the answer lies inside movements themselves Nonviolent protest requires coordination and restraint which only a cohesive movement can provide When by contrast a movement is fragmented factional competition generates new incentives for violence and authority structures are too weak to constrain escalation Pearlman reveals these patterns across one hundred years in the Palestinian national movement with comparisons to South Africa and Northern Ireland To those who ask why there is no Palestinian Gandhi Pearlman demonstrates that nonviolence is not simply a matter of leadership Nor is violence attributable only to religion emotions or stark instrumentality Instead a movement s organizational structure mediates the strategies that it employs By taking readers on a journey from civil disobedience to suicide bombings this book offers fresh insight into the dynamics of conflict and mobilization **Inside the IRA** Andrew Sanders,2011-12-20 The Irish Republican movement was one of the most significant revolutionary movements of the twentieth century This book focuses on the issue of republican splits which created the Provisional and Official republican movements and the subsequent develo Leadership in a

McDaid, 2016-05-16 At no time in Northern Ireland s history did so many significant political initiatives occur as between 1972 and 1975 the most violent and polarised years of the region s conflict Using archival sources this book analyses the political events and processes that informed the British government s Northern Ireland policy at the time the complex interactions between Northern Ireland political parties and the importance of the British Irish diplomatic relationship to the search for a solution to the Northern Ireland conflict Focusing on the rise and fall of the power sharing Executive and the Sunningdale Agreement the book challenges a number of persistent myths including those concerning the role of the Irish government in the Northern Ireland conflict It contests the notion that the years 1972 to 1975 represent a lost peace process but demonstrates that the policies established during this period provided the template for Northern Ireland s current ongoing peace settlement      *Political Ideology in Ireland* Olivier Coquelin, Patrick Galliou, Thierry Robin, 2020-10-27 First delivered as part of an international conference held at Brest University in November 2007 under the aegis of the Centre de
