Father Erno Diaz,2016-10-11 The Sin I Knew not what you think is a humble spin off from several books of the same genre already in the shelves of bookstores and libraries Sin Stories The Colorful Life of Cardinal Sin and Cardinal Sin of Manila are among them I venture to say that more books will be written by people who worked with Cardinal Sin by those who listened to his homilies and talks and by the adoring public including the future biographers of this extraordinary man of God I sometimes think that my little book will be but a footnote to the lore of books articles and other literature on Cardinal Sin present and future Nevertheless as a life long protege of the Cardinal I want to share what I knew about himmy personal insights and the memorable incidents and situations that may in the distant future be significant historical readings for historians like his secret meeting with President Reagan in 1984 in New York that I kind of helped broker *The Sins of the Fathers* Alison J.
