Sir Ernest Shackleton And The Struggle Against Antarctica:

Sir Ernest Shackleton and the Struggle Against Antarctica Hal Marcovitz, 2001-01-01 Traces the life of the English explorer and his exploration of Antarctica *Sir Ernest Shackleton and the Struggle Against Antarctica* Facts On File, Incorporated, 2001 Biographies of some of the most important explorers the world has known Ideal for research or class use Written in accessible easily understood language Complements school curriculum The life of the explorer from Great Britain who strove to chart one of the world's most formidable regions *Sir Ernest Shackleton and the Struggle Against Antarctica* Hal Marcovitz, 2002 **Antarctica in British Children's Literature** Sinead Moriarty, 2020-11-29 For over a century British authors have been writing about the Antarctic for child readers yet this body of literature has never been explored in detail Antarctica in British Children's Literature examines this field for the first time identifying the dominant genres and recurrent themes and tropes while interrogating how this landscape has been constructed as a wilderness within British literature for children The text is divided into two sections Part I focuses on the stories of early twentieth century explorers such as Robert F Scott and Ernest Shackleton Antarctica in British Children's Literature highlights the impact of children's literature on the expedition writings of Robert Scott including the influence of Scott's close friend author J M Barrie The text also reveals the important role of children's literature in the contemporary resurgence of interest in Scott's long term rival Ernest Shackleton Part II focuses on fictional narratives set in the Antarctic including early twentieth century whaling literature adventure and fantasy texts contemporary animal stories and environmental texts for children Together these two sections provide an insight into how depictions of this unique continent have changed over the past century reflecting transformations in attitudes towards wilderness and wild landscapes **Bulletin of the Geographical Society of Philadelphia** Geographical Society of Philadelphia, 1920 **Shackleton and the Lost Antarctic Expedition** B. A. Hoena, 2006 In graphic novel format tells the story of Antarctic explorer Ernest Shackleton and his failed attempt to cross the coldest and windiest continent on Earth **Endurance** Alfred Lansing, 2002 In August 1914 the ENDURANCE set sail for the South Atlantic The object of the expedition led by Sir Ernest Shackleton was to cross the Antarctic overland In October 1915 still half a continent away from their intended base the ship was trapped then crushed in the ice For five months Shackleton and his men drifting on ice packs were castaways in one of the most savage regions of the world Alfred Lansing's narrative based on first hand accounts of those involved describes how the men survived after a long voyage in an open boat across the stormiest ocean on the globe and an overland trek through forbidding glaciers and mountains [James Cook and the Exploration of the Pacific](#) Facts On File, Incorporated, 2001 Biographies of some of the most important explorers the world has known Ideal for research or class use Written in accessible easily understood language Complements school curriculum Cook earned his reputation as a great navigator for his three voyages exploring the Pacific Ocean **South** Ernest Shackleton, 2013-03-06 In 1914 as Europe braces for an unfathomably deadly war explorer Sir Ernest Shackleton sets

sail for Antarctica to do the impossible traverse the continent He has a ship the aptly named Endurance a head brimming with optimism and 28 men willing to follow him on an expedition across some of the most treacherous terrain on the planet But Shackleton's optimism doesn't last long Despite his experience in the Antarctic disaster strikes early on when the Endurance is trapped in packed ice and slowly crushed forcing Shackleton and his men off the ship and stranding them in a sea of ice South is the legendary story of Shackleton and his crew's struggle to survive the elements and return home alive Written by Shackleton South is a truly astonishing story of human fortitude It is the story of a voyage that lasts nearly three years a firsthand account of hurricane force winds subzero temperatures glaciers icebergs freezing water starvation and lethal terrifying storms It is a tale unlike any to come before or since Shackleton's record of his journey made him famous around the world and transformed him into a symbol of achievement and hope in an age of darkness and war **Captain**

James Cook and the Search for Antarctica James C. Hamilton, 2020-05-30 A fascinating account of the famous explorer's voyages through the southern Pacific and Antarctic Oceans based on firsthand journals and logbooks In the mid 18th century Captain James Cook undertook extraordinary voyages of navigation and maritime exploration to discover the Unknown Southern Continent He accomplished and encountered much during his three voyages through the uncharted southern waters yet his Antarctic voyages are perhaps the least studied of all his remarkable travels Now James Hamilton's gripping and scholarly study brings together the stories of Cook's Antarctic journeys into a single volume Using Cook's journals and the logbooks of officers who sailed with him this volume sets his Antarctic explorations within the context of his historic voyages Captain James Cook and the Search for Antarctica offers fascinating insight into Cook the seaman and explorer The exceptional navigational skills of Cook and his crew are vividly depicted as they survive foul weather across uncharted and inhospitable seas

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Sir Ernest Shackleton And The Struggle Against Antarctica**

In a world inundated with monitors and the cacophony of fast transmission, the profound power and emotional resonance of verbal beauty frequently disappear into obscurity, eclipsed by the regular assault of noise and distractions. However, situated within the musical pages of **Sir Ernest Shackleton And The Struggle Against Antarctica**, a interesting perform of fictional elegance that pulses with organic thoughts, lies an unforgettable trip waiting to be embarked upon. Published with a virtuoso wordsmith, this enchanting opus instructions viewers on a psychological odyssey, gently exposing the latent potential and profound influence embedded within the elaborate web of language. Within the heart-wrenching expanse of this evocative examination, we will embark upon an introspective exploration of the book is central themes, dissect their fascinating writing style, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
