**Sister Dora** Jo Manton,1977      *Sister Dora* Margaret Lonsdale,1888      *Sister Dora* Margaret Lonsdale,2023-07-18  
First published in 1895 this book is a biography of Dorothy Pattison a nurse who was known as Sister Dora to her patients  
She gained national attention for her work during the cholera epidemic of 1866 and was subsequently appointed  
superintendent of the Walsall Cottage Hospital The book is a moving portrait of a pioneering woman and a valuable  
documentation of the early days of modern nursing This work has been selected by scholars as being culturally important and  
is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America  
and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or  
corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be  
preserved reproduced and made generally available to the public We appreciate your support of the preservation process and

Gibson,Louise Soanes,Beth Sepion,2006-06-14 Originally emanating from presentations at an international conference this  
text brings together research and practice development from three perspectives practice management and education Within  
these three sections the book presents a series of chapters written mainly by practitioners but some in collaboration with  
academics At the end of each section there is a commentary by a practitioner manager or researcher which aims to offer a  
helpful critique on the papers in their section guiding the reader to consider other areas of research and practice  
development At a time when practitioners are being called to produce and use evidence in their practice this book should  
offer a valuable contribution to that evidence base      **The Sunday Magazine** ,1880      *Advanced Nursing Practice* Thomas  
David Barton,Douglas Allan,2015-10-26 Advanced Nursing Practice is a topical and emergent area of developing health  
practice but as an area that is still developing it can also be seen as one of uncertainty This authoritative text provides helps  
understand ANP by offering a comprehensive overview of its evolution including practice theory and core concepts and a  
wide review of the current clinical strategic educational and research developments in advanced practice This is an essential  
resource for Advanced Nurse Practitioners their educators and mentors and is a valuable resource for undergraduate student
